**MINUTES OF MEETING
MONTGOMERY TOWNSHIP BOARD OF SUPERVISORS
OCTOBER 11, 2016**

At 7:00 p.m. Vice Chairman Candyce Fluehr Chimera called to order the executive session. In attendance were Supervisors Robert J. Birch, Michael J. Fox and Jeffrey W. McDonnell. Also in attendance were Township Manager Lawrence Gregan and Township Solicitor Frank R. Bartle, Esquire.

At 8:00 p.m. Vice Chairman Candyce Fluehr Chimera called to order the action meeting. In attendance were Supervisors Robert J. Birch, Michael J. Fox and Jeffrey W. McDonnell. Also in attendance were Township Solicitor Frank Bartle, Esquire, Township Manager Lawrence J. Gregan, Police Chief J. Scott Bendig, Director of Fire Services Richard Lesniak, Director of Finance Ami Tarburton, Director of Administration and Human Resources Ann Shade, Assistant to the Township Manager Stacy Crandell, Director of Planning and Zoning Bruce Shoupe, Director of Public Works Kevin Costello, Director of Recreation and Community Center Floyd Shaffer, Information Technology Support Tech Lance Allen and Recording Secretary Deborah Rivas.

Following the Pledge of Allegiance, Vice Chairman Candyce Fluehr Chimera announced that the Board of Supervisors would be welcoming a new member. Richard E. Miniscalco has been appointed to the Board of Supervisors and will be sworn in by Judge Joseph P. Walsh. Judge Walsh administered the Oath of Office to Mr. Miniscalco, who joined the other Board of Supervisors on the dais for the remainder of the Board meeting.

Vice Chairman Candyce Fluehr Chimera welcomed local high school student, Alison Panacek, who was attending the Board meeting as part of a class assignment.

Vice Chairman Candyce Fluehr Chimera called for public comment from the audience. Cliff Fitzgerald of 601 Ellison Drive asked the Board for an update on the punch list of items to be completed for the Montgomery Pointe Community. Township Manager Lawrence Gregan reported that the Township Engineer was scheduled to meet this coming Thursday with the

association's representative to get a status on the punch list items. Updates will be given regarding the concrete work and landscaping work that has been performed. Mr. Gregan confirmed that some of the punch list items that should have been completed by now are still outstanding and the Township has been working with the developer's site manager to get the items scheduled as quickly as possible. Supervisor Michael J. Fox stated that the Township is pushing the developer as hard as possible to complete the work out there. Supervisor Fox reported on the work that was recently done on Enclave Boulevard, which was basically completed in about a two week period. Supervisor Fox reported that Enclave Boulevard was really a focus for the Board in particular because the Township wanted to be able to take dedication of that road as soon as possible so that buses can begin to use the road and come into the development for the safety of the children. A lot of the focus was spent on this road and there's been a little bit of a delay on the remainder of the other items, but the completion of all of the items still remains a top priority with the Board.

Township Solicitor Frank Bartle announced that the Board had met in an executive session prior to this meeting and discussed two labor matters, one involving Police Department Collective Bargaining and the other involving Fire Department Collective Bargaining. Mr. Bartle stated that each of these matters are legitimate subjects of executive session pursuant to Pennsylvania's Sunshine Law.

Vice Chairman Candyce Fluehr Chimera made a motion to approve the minutes of the September 26, 2016 Board of Supervisors meeting, and Supervisor Robert J. Birch seconded the motion. The minutes of the meeting were unanimously approved as submitted.

Director of Community Center and Recreation Floyd Shaffer reported that the Township's 16th Annual Autumn Festival was a huge success because of the efforts of the Township staff and volunteers who contributed their time to serve in the various roles for the event. Mr. Shaffer recognized and thanked the Autumn Festival Committee, the employees of the Township and their families, the Environmental Advisory Committee, the Park and

Recreation Board, the Senior Volunteer Committee, the Volunteer Medical Service Corps of Lansdale, the Fire Department of Montgomery Township, the Montgomery Township Police Department, the Montgomery Township Public Works Department, the North Penn High School Junior ROTC, the Pennbrook Middle School Volunteer Corps, the Montgomery County Public Library Bookmobile and the numerous residents of Montgomery Township. Resolution #1 made by Supervisor Michael J. Fox, seconded by Supervisor Robert J. Birch and adopted unanimously, acknowledged the volunteers and workers for their diligent contributions toward the success of Autumn Festival held on October 1, 2016.

Township Manager Lawrence J. Gregan reported that a vacancy currently exists on the Township's Planning Commission. Township resident Andrew J. Terreri has expressed an interest in becoming a member of the Montgomery Township Planning Commission. Resolution #2 made by Supervisor Michael J. Fox, seconded by Supervisor Jeffrey W. McDonnell and adopted unanimously, appointed Andrew J. Terreri to serve as a member of the Montgomery Township Planning Commission with an existing four year term to expire on January 1, 2020.

Assistant to the Township Manager Stacy Crandell reported that staff received and opened bids on September 29, 2016 for the Leaf and Yard Waste Collection bid. The bids were reviewed and staff is recommending that the bid be awarded to the lowest responsible bidder, Advanced Disposal Services. The bid is based on a three year contract for a total cost of \$81,075. Resolution #3 made by Supervisor Michael J. Fox, seconded by Supervisor Robert J. Birch and adopted unanimously, awarded the bid for Leaf and Yard Waste Collection and Disposal Services for a three year contract to Advanced Disposal Services, at a total cost of \$81,075.

Director of Finance Ami Tarburton reported that the annual General Municipal Pension System State Aid allocation for 2016 has been received in the amount of \$498,709.66, which is an increase of 17% from the 2015 allocation. The funds are allocated by the Township to the Police and Non-Uniformed Pension plans to offset a portion of the cost of these plans.

Resolution #4 made by Supervisor Robert J. Birch, seconded by Vice Chairman Candyce Fluehr Chimera and adopted unanimously, accepted the recommendation to allocate the 2016 Act 205 General Municipal Pension System State Aid to the Police Pension Plan in the amount of \$279,277.41 and to the Non Uniformed Employee Pension Plan in the amount of \$219,432.25.

Director of Fire Services Richard Lesniak reported that the Department of Fire Services and the Fire Department of Montgomery Township are requesting the Board of Supervisors' approval to submit applications through the Pennsylvania State Fire Commissioner's Office annual Volunteer Firefighter/Volunteer Ambulance Service Grant program. Each grant application will be approximately \$15,000.00 and is intended to fund the purchase of personal protective equipment and to replace mobile data computers. Resolution #5 made by Supervisor Robert J. Birch, seconded by Supervisor Jeffrey W. McDonnell and adopted unanimously, granted approval to submit applications to the PA Fire Commissioners Volunteer Firefighter/Ambulance Service Grant program for the purchase of personal protective equipment and mobile data computers in the amount totaling \$30,000.00

Director of Fire Services Richard Lesniak reported that Firefighter Robert Hedden currently holds three certifications in the Commonwealth of Pennsylvania and submitted an application for renewal of those certifications for a new three year cycle (2013-2016). Firefighter Hedden is requesting approval to take a course titled "2015 International Building Code Implementation" and a course titled "Community Risk Reduction" to satisfy 48 of his required 45 Continuing Education credits for the current cycle. These courses are being offered through the New Jersey Center for Services at The Inn at Lambertville Station, Lambertville, NJ and Mercer County Fire Academy. These courses are free of charge. Resolution #6, made by Supervisor Michael J. Fox, seconded by Supervisor Robert J. Birch and adopted unanimously, authorized the out-of-state training for Firefighter Robert Hedden.

Director of Planning and Zoning Bruce Shoupe reported that the Township has received a request for a waiver of the formal land development process from Nappen & Associates for their property located at 201 Progress Drive, which is leased by Impact Thrift. The applicant is proposing the expansion of their parking lot. The company has grown and is now requiring additional parking for their employees. Nappen & Associates has indicated that they explored the feasibility of expanding the parking lot and have determined that an additional 32 spaces can be added. They would also connect the two existing driveways, enhancing the vehicular circulation around the building. The traffic movement will be reviewed by the Township's Traffic Engineer. Resolution #7 made by Supervisor Michael J. Fox, seconded by Supervisor Robert J. Birch and adopted unanimously, approved the waiver of formal land development for 201 Progress Drive property.

Resolution #8 made by Vice Chairman Candyce Fluehr Chimera, seconded by Supervisor Michael J. Fox and adopted unanimously, approved the waiver of a special event permit fee for the Bharatiya Temple Ravan Effigy Burning.

A motion to approve the payment of bills, with the addition of a final invoice payment of \$24,500.00 to E.R. Stuebner, was made by Vice Chairman Candyce Fluehr Chimera, seconded by Supervisor Michael J. Fox, and adopted unanimously, approving the payment of bills as submitted with the additional invoice.

There being no further business to come before the Board, the meeting adjourned at 8:28 p.m.

Larry,

Please accept this as my resignation from the Parks and Rec board. I have enjoyed my time on the board, getting to know the workings of the township and meeting some great individuals. Unfortunately, some personal circumstances will prevent me from attending future meetings. I'd like to particularly thank you, Kevin and his staff for your service to the township. It is quite evident to me that the township is what it is due to your dedication. Thank you for the opportunity to serve on the Parks and Rec board.

Have a good afternoon,

Jim Earley

Larry and Ami, our firm represents RBC Capital Markets ("RBC") as underwriter's counsel from time to time in bond financings unrelated to the Township's bond financings. As you know, RBC is the underwriter on your 2016 General Obligation Bond refinancing. We were recently asked to represent RBC on an unrelated bond financing. Reference: Montgomery Walk
Enclave Blvd. Punch List

Dear Larry:

As you are aware, The Enclave at Montgomery development includes the construction of Enclave Blvd. between Hartman Road and Bethlehem Pike (SR0309). The recent amendment the Montgomery Walk Land Development Agreement included provisions for the completion of Enclave Blvd. by August 22, 2016 and prior to Township acceptance of dedication. We are providing this letter to document substantial completion of the roadway and to identify punch list items that should be addressed prior to acceptance of dedication. It is our understanding that dedication will be considered at the September 12, 2016 public meeting of the Board of Supervisors.

The developer, The Cutler Group, Inc, began preliminary work required prior to restoration and paving of the road on August 3, 2016. This preliminary work included repair of damaged Belgian block curb and utility repairs and adjustments. The work also included replacement of storm sewer inlet tops per our April 11, 2016 Storm Sewer Punch List. Upon completion of this preliminary work, the developer began restoration of Enclave Blvd. on August 22, 2016. Restoration of the roadway proceeded per our July 1, 2016 letter outlining the scope of work required to repair and restore the road base prior to final paving. The work included the following:

- Mill 2.5 inches of base course along entire length of the roadway (Stations 0+00 at Hartman Road to 14+49 and 20+63 to SR 309)
- Proof roll of the remaining in-place base material
- Base repair of substandard areas identified by the proof roll
- Full depth removal of roadway (Stations 14+49 to 20+63)
- Proof roll of subbase stone
- Reconstruction of base course (2.5 inches in milled areas, 5 inches in reconstructed areas – 19mm SuperPave)
- Enclave Blvd. final wearing course (1.5 inches 9.5mm SuperPave)
- Installation of the 8 ft. wide pedestrian trail along Enclave Blvd. between Hartman Road and Eisenhower Lane.

The developer concluded final paving of the roadway on August 31, 2016.

Gilmore & Associates, Inc. was present and observed the work noted above. The work was completed in accordance with Township Standards and the approved land development plans. We note the following punch list items to be completed by the developer prior to acceptance of dedication:

- Detectable Warning Surfaces must be installed at all pedestrian crossings.

- ~~All plan specified roadway signage must be installed.~~ *COMPLETED*
- ~~Pavement markings must be installed (double yellow lines, gore striping, etc.).~~ *COMPLETED*
- Replacement of the wearing course must be completed to the Bethlehem Pike (SR0309) cartway (approximately 10' to 15' length of roadway).
- ~~An as-built plan must be provided depicting the entire length of Enclave Blvd. including the metes and bounds of the area to be offered for dedication.~~ *COMPLETED*

We recommend these punch list items be addressed prior to Township acceptance of the roadway. If you have any questions regarding the above, please contact this office.

BACKGROUND:

With the dedication of Enclave Boulevard to the Township, the Police Department has proposed the following revisions to Chapter 222, Vehicles and Traffic, of the Montgomery Township Code:

In addition, the Police Department had previously recommended revisions to the stop sign regulations for the intersection of Beechwood Drive at Sycamore Drive. This revision was inadvertently missed from Ordinance #16 - 299 which was adopted in September and is included in this proposed Ordinance.

Further, the Police Department is requesting that these traffic regulations be designated as "Experimental Regulations" in accordance with Section 222-5 of the Township Code for up to 90 days pending adoption of this ordinance.

Attached is the proposed ordinance #16-301 for advertisement. The ordinance is proposed for consideration for adoption at the November 14, 2016 Board Meeting.

Mr. Gregan,

Based on onsite analysis and discussions with one of our Highway Safety Officers the following are recommended:

- **Speed Limit:** 25 mph. Per Title 75, Pa Vehicle Code, section #3362 (a-1.2), referring to Maximum Speed Limits, a Speed limit of 25 mph is appropriate for Enclave Blvd., from Hartman Road to Route 309 as this area considered a "residence district" .
- **Stop Signs:** Enclave Boulevard at Hartman Road
Enclave Boulevard at Route 309
- **Snow Emergency:** The entire length of Enclave Blvd should be declared a snow emergency route, as this is the road that emergency vehicles will need to travel upon to access the development.

Any questions, let me know.

Thank you,

Scott

Jim;

I hope everything turned out ok.

I met with Melissa Owen this morning. We determined that due to the future pool and patio in the rear yard, the driveway taking up almost all of the rear yard, and numerous utilities crisscrossing the front yard, the best course of action would be to plant the two 3" Linden street trees, and do fee-in-lieu for the buffer and on-lot landscaping.

12 shade trees x \$350 = \$4,200
19 shrubs x \$65 = \$1,235
Total = \$5,435.00

You will need to coordinate with Bruce Shoupe regarding payment of the fee-in-lieu. Please let me know if you have any questions.

Valerie,

You're not going to believe this but I am in the hospital ER right now and not sure yet if i will be released

tonight. And my partner Matt is in the same hospital upstairs since this afternoon. Two separate issues but not life threatening for either I hope you get this soon since we won't be able to meet with you tomorrow at Lansdale Ave.

If you can mark on the plot plan where you want the trees, I can take it from there.
