Solicitor Frank R. Bartle, Esquire announced that the Board had met in an Executive Session at 7:30 p.m. prior to this meeting to discuss two Zoning Hearing Board applications, Shinn Family Practice, PC at 1200 Welsh Road and Christopher Lear / 1079 Horsham Road. The Board also discussed one matter of potential litigation, which is the Cutler Developments matters. Lastly, the Board discussed a matter of litigation, Marvin Cohen vs. Montgomery Township Zoning Hearing Board and Montgomery Township which is a case in the Commonwealth of Pennsylvania Court, No. PA 219CD 2017. Mr. Bartle stated that these matters are legitimate subjects of executive session pursuant to Pennsylvania's Sunshine Law.

Chairman Candyce Fluehr Chimera made a motion to approve the minutes of the October 10, 2017 Board of Supervisors meeting, and Supervisor Richard E. Miniscalco seconded the motion. The minutes of the meeting were unanimously approved as submitted.

Chief of Police J. Scott Bendig reported that on October 2, 2017, Officer Andrew Dalton retired from the Montgomery Township Police Department after 26 years of service to our community. Officer Dalton began his career with the Montgomery Township Police Department as a patrol officer on August 7, 1992. Officer Dalton served in various roles during his tenure including Highway Safety Unit officer, Special Operations Unit officer, motor carrier inspector, and a member of Montgomery County's SWAT team. Officer Dalton currently serves as a First Sergeant in the United States Army Reserves, and has been deployed on several occasions, including Iraq, Afghanistan and Africa. During his 26 year career, Officer Dalton has received numerous departmental commendations for his actions as an officer as well as numerous letters of appreciation from township residents, civic groups, children, and neighboring law enforcement agencies. Officer Dalton has shown exemplary dedication and professionalism in his service to the residents, businesses and coworkers of our community. Officer Dalton's dedication and leadership will be sorely missed. Kevin Andrews from Pennsylvania State Senator Greenleaf's office and Laura Smith, Chief of Staff from Pennsylvania State Representative Todd Stephens' office, presented Citations from the Pennsylvania Senate as well as the Pennsylvania House of Representatives to Officer Dalton. Resolution #1 made by Chairman Candyce Fluehr Chimera, seconded by Supervisor Richard E. Miniscalco and adopted unanimously, recognized Officer Andrew Dalton and expressed deep gratitude to him for his dedication and faithful service to the Montgomery Township Police Department and Montgomery Township community.

Director of Recreation and Community Center Floyd Shaffer welcomed two members of the Township's Autumn Festival Committee, Mary Griffith-Alfarano and Steve Terebecki and thanked them for their hard work and dedication on the Township's Autumn Festival held on

October 7, 2017 at the Montgomery Township Community and Recreation Center. Chairman of the Autumn Festival Committee Mary Griffith-Alfarano recognized the services provided by the Sponsors, Organizations, Volunteers and Workers that capably assisted in the coordination and implementation of events surrounding Montgomery Township's Autumn Festival 2017. The following entities provided invaluable contributions to the Autumn Festival: Autumn Festival Committee, Employees of Montgomery Township and their families, Environmental Advisory Committee, Park and Recreation Board, Senior Volunteer Committee, Volunteer Medical Service Corps of Lansdale (VMSC), Fire Department of Montgomery Township Volunteers, Montgomery Township Police Department, North Penn High School Junior ROTC, North Penn High School Key Club and the Montgomery County Public Library – Bookmobile. Community Sponsors included: Pumpkin Sponsors, Dischell Bartle & Dooley, PC, Calvary Church, Delaware Valley Dance Academy, Marks Jewelers, Fulton Bank, Wegmans, Mid-Atlantic Packaging, Inc. Scarecrow Sponsors, Bharatiya Cultural Center, Gilmore & Associates, Inc., Boucher & James, Inc., Patient First, Doylestown Health and Traffic Planning and Design, Inc. Freed & Sons, Syrena Collision Center and Univest Bank and Trust Company. Mrs. Griffith-Alfarano reported that we could not have had a more successful day as the attendance was so large that they had to call for larger buses to move the crowds to and from the parking lots. The Autumn Festival Committee has commissioned a survey that is being sent out in all forms of the Township's social media to see where the committee could do better and where things might need improvement as we move forward towards planning next year's event. Resolution #2 made by Chairman Candyce Fluehr Chimera, seconded by Supervisor Richard E. Miniscalco and adopted unanimously, acknowledged the volunteers and workers for their diligent contributions toward the success of Autumn Festival held on October 7, 2017.

Assistant to the Township Manager Stacy Crandell announced that the 2017 fall curbside leaf waste collection will take place on Saturday, November 18, 2017. Residents must place the collected leaf and yard waste materials in biodegradable paper bags at the curb prior to 7:00 a.m. that day for collection.

Public Works Director Kevin Costello reported on the Montgomery County Consortium 2017-2018 Cooperative Rock Salt Contract. The Township has participated in this program in the past. The contract was awarded to Morton Salt, Inc. of Chicago, Illinois at the price of \$49.42 per ton delivered. This is a savings from the previous contract that was \$59.73 per ton. Resolution #3 made by Chairman Candyce Fluehr Chimera and seconded by Supervisor Richard Miniscalco and adopted unanimously, approved the Township's participation in the Montgomery County Consortium Salt Purchase Contract for 2017-2018 for the purchase of rock salt from Morton Salt Inc. of Chicago Illinois, at a price of \$49.42 per ton delivered.

Finance Director Ami Tarburton presented the 3rd Quarter 2017 Budget report. Ms. Tarburton's presentation summarized the operating results through September 30, 2017 and identified the significant activities in the fund balance, revenues and expenses. Ms. Tarburton reported that overall the Township finances are in excellent condition, with the 3rd Quarter revenues and expenses tracking as expected in the 2017 Budget.

Director of Planning and Zoning Bruce Shoupe reported that in 2009, Montgomery Township initiated a program of naturalizing stormwater basins owned and maintained by the Township. The Shade Tree Commission has researched the benefits of naturalizing these basins and has identified additional basins to be entered into the Basin Naturalization Program. Over the past several years, basins have been assessed and entered into the naturalization program by allowing them to go natural through a "no mow" policy. The group of basins listed below is the last of the basins to be recommended to be entered into the program. Two years ago, the Township began the re-assessment of those basins entered into the program to track their development and ensure they are progressing as they should. The following basins are

being recommended to be assessed by Boucher & James in order to be qualified for entry into the Basin Naturalization Program: #26 – Summer Ridge, #31 – Lea Drive, #58 – Tall Gables, #61 – Autumn Grove, #64 – Community Center A, #65 – Community Center B and #66 – Community Center C. The following basins are being recommended to be re-assessed by Boucher & James to determine their progress since their entrance into the program in 2012: #7 – Pioneer Drive, #14 – Gwynmere, #21 – Montgomery Hill, #29 – Gwynwood Pond, #30 – Tall Gables and #33 – Autumn Woods Park. Resolution #4 made by Chairman Candyce Fluehr Chimera, seconded by Supervisor Richard Miniscalco and adopted unanimously, approved the completion of the basin assessments by Boucher & James and re-assessments of basins noted above.

Resolution #5 made by Chairman Candyce Fluehr Chimera, seconded by Supervisor Richard Miniscalco and adopted unanimously, approved the waiver of permit fee for special event for the Bharatiya Temple Diwali Celebration.

A motion to approve the payment of bills was made by Chairman Candyce Fluehr Chimera, seconded by Supervisor Richard Miniscalco, and adopted unanimously, approving the payment of bills as submitted.

Under other business, Resolution #6 made by Chairman Candyce Fluehr Chimera, seconded by Supervisor Richard Miniscalco and adopted unanimously, authorized the Township Solicitor to represent the Township and appear before the Zoning Hearing Board in opposition to the Christopher Lear / 1079 Horsham Road Zoning Application, Application No. 17100001, as amended.

There being no further business to come before the Board, the meeting adjourned at 8:24 p.m.

BACKGROUND:

Rick Peterson retired from the Township's Public Works Department effective October 3, 2017 after 37 years of dedicated and faithful service to Montgomery Township and the residents of this community. Rick began his career with the Township as a part-time Laborer in 1978. He became a full-time Laborer in 1980 and continued to work his way up to Road Foreman, a position that he has held for over 30 years.

Rick's responsibilities have included managing numerous construction, drainage and paving projects throughout the years. One project in particular that always stood out was a three month long gabion stone creek restoration project that was done back in 1981. The project was in a very difficult location and included a lot of "hand work" and planning. The Reporter did an article on the project that was titled "An Honest Day's Work for an Honest Day's Pay".

Rick has also played a very important role with snow emergencies. He was responsible for running a crew and operating our backhoes and loaders during large storms. In the early 1980's, when we only had three employees, we fought a blizzard together that totaled 36 inches of accumulation and took a week to clear the streets.

These are just a couple of examples that exemplify Rick's hard work and dedication to Montgomery Township. All of us join together in thanking Rick for his 37 years of dedicated service to Montgomery Township.

BACKGROUND:

This evening Montgomery Township Police Department's Canine Unit Supervisor, Sergeant Robert Hart, is here on behalf of Region 6 of the United States Police Canine Association (USPCA) to make a presentation to members of the Montgomery Township Public Works Department for their assistance at a recent Canine Unit event.

From September 8 through September 10, 2017, the police department and USPCA Region 6 hosted the Police Dog One Field Trials at William F. Maule Park at Windlestrae. These Field Trials, attended by over 40 police canine teams, required each canine team to demonstrate their proficiency in a series of outdoor police related exercises in different areas of the park complex. The Montgomery Township's Public Works Department was instrumental in the success of the event, working with members of the police department and preparing the park facilities to the specifications of the USPCA.

BACKGROUND:

The Board of Supervisors conducted four public workshops during the month of October. These meetings were held with all department heads and representatives of the FDMT and Montgomery Township Sewer Authority to review proposed revenues and expenditures for the 2018 Preliminary Budget. A summary of the proposed revenues and expenditures for each fund is attached. Presentation slides highlighting the revenue and expenditures in the 2018 Preliminary Budget will be presented.

Upon adoption of a preliminary budget by the Board, a notice must be advertised once in one newspaper of general circulation in the township that the proposed budget is available for public inspection at the Township Building. After the approved preliminary budget has been available for public inspection for twenty (20) days, the Board of Supervisors shall, after making revisions as are appropriate, adopt a final budget not later than December 31st.

The adoption of this 2018 Preliminary Budget is an important step towards adoption of a Final Budget for 2018. If the estimated revenues or expenses in a proposed Final Budget are increased more than ten percent in the aggregate or more than twenty-five percent in any major category over the advertised 2018 Preliminary Budget, a Final Budget may not be legally adopted with those increases unless it has been advertised again and an opportunity given to taxpayers to examine the amended Final Budget.

During the month of January following any municipal election, the Board of Supervisors may amend the budget and tax rate. A period of ten days' public inspection of the proposed amended budget is required before consideration of adoption of the final amended budget. Any amended budget must be adopted by the Board of Supervisors on or before the fifteenth day of February.

Arbor Day 2017 – This year, the Annual Arbor Day Tree Give-Away was held on Saturday morning, April 29th, 2017, from 9:00 AM to 12:00 PM at the Montgomery Township Community and Recreation Center. The day's events included the reading of the Arbor Day Proclamation, the distribution of 350 free native shade and ornamental trees to residents, and the presentation of the 2016 Tree City USA Certification and Growth Award to Montgomery Township. This was the twentieth year that Montgomery Township has received this Tree City recognition. The Township staff, landscape architect, and several volunteers were on hand to provide tree selection, care, and maintenance advice to our residents.

Forestry Management – The Township has worked with a Forester, Timberlink Consulting, in identifying the magnitude of the EAB infestation in our forests within township owned properties. Ash trees make up approximately 30% of our forested and park areas. A bid proposal was drafted for the removal of over 200 Ash trees within Spring Valley Park. Bids are currently being reviewed and the project is scheduled to be completed some time next year. The Public Works department has removed approximately 150 Ash trees this year as well.

Basin Naturalization Program – Six basins were selected to be entered into the Township's Naturalized Basin program in 2017. Assessments and inspections were completed on the selected basins in October and November of this year. These basins currently being maintained by the Township are scheduled to be "naturalized" and have been designated as a "no mow" area. As of this date, 57 of the 66 Township owned basins have been "Naturalized". Binders were put together for the Planning & Zoning and Public Works Departments. Each set of binders contains the following information for each township owned basin: basin initial assessment and any re-assessments, inspection reports, and spreadsheets of all township-owned basins with specific detailed information on each.

Sundial at Memorial Grove – The Commission contracted with a local concrete installer to remove the dirt within the circle area around the sundial and fill it in with exposed aggregate concrete. This area has been a continual maintenance problem with weeds and overgrown plantings.

2017 Community Forestry Workshop - Montgomery Township and Bartlett Tree Experts hosted our first Community Tree Workshop on November 2nd of this year at the Community and Recreation Center. The seminar focused on improving the skills of arborists, foresters, and landscapers, especially those who manage and care for parks, school grounds, and other public spaces. Private arborists and other green industry professional were welcomed as well. ISA, PCH, and PA Pesticide credits were approved for this all day seminar.

Other Projects / Achievements

Montgomery Township received recertification for Tree City USA for the 20th year and received the Growth Award for the 16th year for our commitment and dedication to providing a sound community forestry program.
