MONTGOMERY COUNTY PLANNING COMMISSION (MCPC)

Act 247 Fee Schedule

The following fees will apply to each subdivision or land development submitted to the Montgomery County Planning Commission for review:

- Fees will be waived for applications filed under the name of a governmental subunit of the United States or the Commonwealth of Pennsylvania, including school districts and authorities. This exemption does not apply to private, nonprofit organizations with the exception of volunteer fire companies and ambulance squads.
• For a nonresidential subdivision and land development submitted for the same tract at the same time only the larger base fee will be changed.
• Whenever a mixed-use proposal with both residential and nonresidential is submitted, a reduced fee will be applied. This fee is calculated by applying the residential and nonresidential fees, per the Fee Schedule, and then adding all fees and deducting 15 percent.

Residential Subdivisions or Land Developments

These fees apply to all kinds of residential projects for sale, condominium or rental; any structural type; and either as a subdivision or single-tract land development. No fees are charged for open space lots.

Table with 2 columns: Number of Lots or Dwelling Units (greater number applies) and Base Fee + Fee per Lot or Dwelling Unit. Rows include categories like 1-3*, 4-20, 21-100, and 101+ with corresponding fee structures.

* Lot line adjustments with no new development = \$65 flat fee

Nonresidential Land Developments and Conversions

These fees apply to all projects or sections of mixed projects, which are for new construction of nonresidential uses of any kind for sale, rental, lease or condominium in any type of building on a single tract of land. Conversions from residential to nonresidential uses shall also use this schedule, whether the building area is new or existing.

Table with 2 columns: Gross Square Feet of New Building and Base Fee + Fee for Every 1000 Gross Sq. Ft. (rounded to nearest whole dollar). Rows include categories like 1-3,000 Sq. Ft., 3,001-25,000 Sq. Ft., 25,001-50,000 Sq. Ft., 50,001-100,000 Sq. Ft., and 100,001+ Sq. Ft.

Nonresidential Subdivisions

These fees apply to applications subdividing and conveying land for nonresidential uses.

Table with 2 columns: Number of Lots and Base Fee + Fee per Lot. Rows include categories like 1-3 and 4 or more.

Special Reviews

- Miscellaneous reviews not included in above categories (conditional uses, nonresidential lot line change) = \$260 flat fee
• Curative Amendments (not municipal curative amendments) = \$1,500
• Private Petitions for Zoning Change (not municipal petition) = \$1,000

Resubmissions

These fees apply to each subsequent plan submission after the original submission, if the resubmission is essentially the same plan with only minor revisions.

- Flat fee of \$125 for residential subdivisions/land developments. All resubmissions of 3 lots/units or less no fee required.
• Flat fee of \$190 for all nonresidential subdivisions/land developments. All resubmissions of 3 lots or 3,000 square feet or less no fee required.

All county fees are to be submitted to the municipality at the time of application; the municipality will forward the fees to MCPC. A check or money order should be made payable to the MONTGOMERY COUNTY TREASURER. Fees are authorized by the Pennsylvania Municipalities Planning Code (Act 247) as amended.

MONTGOMERY COUNTY PLANNING COMMISSION (MCPC)

Act 247 Review Guidelines and Fee Schedule

For reviews in accordance with the Pennsylvania Municipalities Planning Code (Act 247) as amended

Effective January 1, 2014

Required Fees and Time Limits

To determine the applicable fee and review time limit for MCPC reviews, reference the appropriate section of the Pennsylvania Municipalities Planning Code as follows:

| | Act 247 Section | Fee | Time Limit (days) |
|-------|---|------------|--------------------------|
| 301.3 | Comprehensive Plan Amendments | No | 45 |
| 304 | Public Facilities | No | 45 |
| 305 | School Facilities | No | 45 |
| 408 | Official Map | No | 45 |
| 502 | Subdivision and Land Developments | Yes | 30 |
| 505 | Subdivision & Land Development Ordinance Amendments | No | 30 |
| 609 | Zoning Ordinance or Map Amendments | Yes* | 30 |
| 609.1 | Curative Amendments | Yes* | 30 |

*** Fees will be charged for private petitions (developer/landowner) for zoning ordinance/map amendments and curative amendments. (See fee schedule)**

- A time limit may be extended if requested by the applicant or by the municipality. If a municipality requests a time extension, it must be in concurrence with the applicant.
- Whenever applications require more than one type of review or otherwise fall under more than one section of the Pennsylvania Municipalities Planning Code, the Montgomery County Planning Commission will attempt to complete all reviews within the shortest official time limit. However, MCPC reserves the right to use the maximum permitted time limit if needed.

Application Procedure

1. The applicant submits the plans, a completed Municipal Request for Review form, and the county fee to the local municipality. The county fee must be in the form of a check or money order made payable to the MONTGOMERY COUNTY TREASURER. The county fee is not to be combined with the municipal fee. The applicant's canceled check serves as the receipt.
2. The municipality will forward an application consisting of the county fee, the Municipal Request for Review form signed by the appropriate municipal official, and the plans to MCPC along with any other relevant information.

3. The review time limit will officially begin when MCPC receives all necessary information and applicable fees.
 4. In the event of a returned check, the MCPC review and its corresponding time limit will stop as of the date we receive notification. MCPC will notify the applicant and municipality. The review process will restart on the date MCPC receives the required fee.

Fee Information

Resubmissions

The fee schedule and time limits will apply regardless of whether the submitted application is for the review of a tentative sketch, preliminary plan, or final plan. Once the initial fee has been received, MCPC charges a fee for the resubmission of subdivisions and land developments that are essentially the same as the former submission. A flat fee of \$125 is required for all residential subdivisions/land developments. No fee is required for residential subdivisions/land developments of 3 lots/units or less. A flat fee of \$190 is required for the resubmission all non-residential subdivisions/land developments. No fee is required for non-residential subdivisions/land developments of 3 lots or 3,000 square feet or less respectively. MCPC does not charge any additional fees for a staged development unless the original overall proposal has been substantially altered. When MCPC determines an application to be substantially altered, a new fee will be required except if the change was recommended by MCPC. Each submission of a different project on the same tract of land will be charged an additional fee. Any plan for the same tract resubmitted more than 5 years after the last review of that tract will be charged a new fee.

Mixed Developments

Whenever a mixed-use proposal with both residential and nonresidential is submitted, a reduced fee will be applied. This fee is calculated by applying the residential and nonresidential fees, per the Fee Schedule, and then adding all fees and deducting 15 percent.

For a nonresidential subdivision and land development submitted for the same tract at the same time only the larger base fee will be charged.

Waiver of Fees

Fees are waived for an application filed under the name of a governmental subunit of the United States or the Commonwealth of Pennsylvania, including school districts and authorities. This exemption does not apply to private nonprofit organizations except for volunteer fire companies and ambulance squads.

Refunds

If MCPC fails to complete its review within the required time limits, the fee will be returned to the applicant upon request, except in those instances involving an incorrect fee or incomplete application or when MCPC has been granted a time extension for the review.

Informal Reviews and Special Circumstances

Meetings with MCPC to discuss applications, either prior to or during the formal review process, are encouraged and free of charge. If the applicant requests the meeting, the local municipality will also be invited. Meetings and informal reviews do not replace the official formal review by MCPC. In addition, if a municipality requests any meetings, court appearances, redesigns, or other special events that are related to the MCPC review, no extra fees will be charged. Similar requests by developers will be charged appropriately in accordance with fees for staff services.

Municipal Request for Review

This request must be submitted by the municipality to our office with the appropriate plans/information and fee.
