## LETTER FROM THE CHAIRMAN

Dear Friends & Neighbors:

I write this letter as we await the latest “crippling” March blizzard. I sure am ready for spring as I am sure many of you are as well. Daylight Savings Time has arrived, allowing us all extra time in the afternoons and early evenings to be outside with our kids or pets, or to simply be outside and walk! It is this time of year that I am always reminded how fortunate I am to live here in Montgomery Township as we start to live outside again and enjoy all that we are offered as residents.

Our parks have never been better! They are continuously upgraded and are by far the most well maintained parks anywhere around! As you start to spend more time outside, check out our tennis courts and walking paths as new forms of exercise. Come out and watch the kids playing spring baseball, t-ball, softball or soccer. The kids always bring me joy as I watch them learn a new sport, or even better learn how to be a good sport! The entertainment is free and you will surely enjoy yourself. A few more fabulous free perks we are so happy to offer include the new Spray Park at the Community and Recreation Center (CRC)—tons of wet fun for the kids once it’s warm enough, the indoor walking/running track and the super basketball courts that have free open sessions for kids!

All of us on the Board of Supervisors are very proud of our Community and Recreation Center where we can offer so many great opportunities for all ages to be active—physically and mentally. Convenient to all, the CRC has a new affordable fee schedule for 2017 and offers dozens of programs for all ages. Group exercise classes are included in the membership rate and there is a wide offering of classes to suit the fitness needs of all. Beyond exercise, there are many fun events such as paint night- where you can let your inner artist out, Coloring Club, Silver Sneakers activities for older adults and so much more!

This is your Community and Recreation Center so please let us know if we are missing a program that you would like to see offered, I’m sure we can arrange it! Check out the schedule inside for upcoming community events such as the summer concert series, Autumn Festival, new seminars and all of the other programs offered at the CRC.

I happily encourage you to check out all that we offer! If you haven’t seen our great parks, heard our kids screaming with joy, or walked a treadmill with a great view, then make 2017 your year! Please get out and get healthy—in body & mind!

Peace & Love!

Candyce Fluehr Chimera
