Budget Status Report
1st Quarter 2013

General Fund 01 - Fund Balance

During the 1st Quarter of 2013, the Township received \$4.659M or 40.7% of 2013 General Fund Budgeted Revenues, which was 9.1% higher than the \$4.273M in revenues received during the 1st Quarter 2012. General Fund Expenditures during the 1st Quarter 2013 were \$1.866M which amount was .9% higher than the \$1.85M in Expenditures during the 1st Quarter 2012. Overall, expenditures in each department are consistent with the expenditures from prior year. Year to date expenses for 2013 are 1% below budget as of the end of the 1st Quarter.

At the end of the 1st Quarter 2013 the General Fund Balance was \$5.342M, an increase of 5.6% above the 1st Quarter 2012 fund balance of \$50.56M. The various Revenue and Expenditure details are discussed in more detail below.

General Fund Revenues

- Tax Revenues - These revenues represent 83% of all budgeted General Fund revenues.
 - Real Estate Tax revenues for March are up 72.8% (\$102.5K) as compared to same period prior year. However, data indicates that this is related to the timing of some receipts. The end of April will be a more telling indicator of the revenues for the year.
 - Earned Income Tax (EIT) revenues for March are up 58.4% (\$556K) from same period prior year. Staff is discussing this trend with the Berkheimer, the tax collector. At this point, it appears to be a combination of receipts collected earlier, increased income of Township residents and a better ability to properly allocate funds based on newly implemented PSD codes.
 - Mercantile Tax revenues are down 5.7% (\$100K) and Business Privilege revenues are down 14.5% (\$102K) from March 2012. The due date for these taxes was March 15th. Over 90% of the anticipated taxes have been received and revenues are currently 6% below of budget. This appears to be a combination of 2012 estimates close to 2012 final receipts which results in little additional income or, in some cases, refunds and slightly lower estimates for 2013. Additionally, two large taxpayers have moved out of the Township for 2013.
 - LST revenues are up 2.3% from March 2012. Taxes receipts are on budget for this year to date.

Budget Status Report
1st Quarter 2013

- Permits and License Fees – This collective group of revenues is reporting 30.7% (\$127K) below the prior year. However prior year numbers were high partially related to one-time projects in the Township such as the construction of Wegmans. Overall, these revenues are 5.3% below budget for this point in the year.
- Other Revenue Sources include fines, interest, grants, etc. These revenues are 71.9% (\$40.2K) above prior year revenues for March and 3.6% above budget the anticipated budget for this period of time. These revenues make up only 2% of the annual budget.

- Expenditures

Overall expenditures for March are .9% (\$16.7K) above prior year. Expenditures are on below the projected budget for this year as of this 1st Quarter 2013.
