6. Authorization to Advertise for Zoning Ordinance Text Amendment: Westrum Proposed Land Development: Mr. Shoupe reported that staff has met with the Westrum Development Company concerning the development of the vacant 10 +/- acre parcel of land behind the Rodeway Inn on Bethlehem Pike for approximately 230+ Lifestyle Apartments. The developer has expressed that creating this new use would provide a variety of housing types where vacant Limited Industrial zoned land are under-utilized and suitable as a transition use adjacent to residential districts. Carrie Nase Poust, the attorney representing Westrum Development, provided a brief review of the proposed project. Ms. Nase Poust indicated that over the last several months, they have worked with staff to address several issues of concern. A traffic study was completed by Andy Heinrich, P.E. of Heinrich and Klein Associates and summarized as having minimal impact on the

area of the proposed development. Kent Baird, AICP provided a presentation on proposed trails and connectivity to the proposed development. Parking ratios were discussed and there was concern about having enough parking as it was expected that residents may have more than one vehicle per apartment, especially with minimal public transportation options. Discussion followed. Ms. Nase Poust stated that her clients are certainly willing and able to have that conversation with the Township consultants and provide additional information in terms of the parking that is being proposed. It was agreed that the Board would move forward with authorization of the advertisement of the hearing conditioned upon staff being satisfied with the text amendment that will come before the Board.

MOTION: Upon motion by Ms. Bamford, seconded by Ms. Long and unanimously carried, the Board authorized the advertisement of a proposed Zoning Text Amendment for Development of 10 +/- acre Lifestyle Apartments, subject to staff and Board approval of the final text amendment.

The Township was awarded a Green Light Go grant, which will be used to offset the cost to make these necessary improvements. In addition, the Township has received notification from PennDOT of the need to inspect all traffic signal poles.

MOTION: Upon motion by Ms. Chimera, seconded by Ms. Staab and unanimously carried, the proposal from Gilmore & Associates dated 1/27/21 in the amount of \$75,000 for traffic engineering services was approved.

BOARD LIAISON:
INITIATED BY: Board of Supervisors

BACKGROUND:

The Board of Supervisors adopted an ordinance to establish a Human Relations Commission at their October 26, 2020 public meeting. The ordinance went into effect 90 days later.

Motion to appoint the following residents to the Montgomery Township Human Relations Commission.

ORDINANCE NO. 20-315

AN ORDINANCE OF MONTGOMERY TOWNSHIP, MONTGOMERY COUNTY, PENNSYLVANIA, ENACTING A HUMAN RELATIONS ORDINANCE TO PROVIDE FOR THE CREATION OF THE MONTGOMERY TOWNSHIP HUMAN RELATIONS COMMISSION, AND TO PROHIBIT DISCRIMINATION IN EMPLOYMENT, HOUSING, COMMERCIAL PROPERTY AND PUBLIC ACCOMMODATION WITHIN THE TOWNSHIP; REPEALING ALL INCONSISTENT ORDINANCES, OR PARTS THEREOF; AND PROVIDING A SEVERABILITY CLAUSE AND EFFECTIVE DATE

WHEREAS, the Constitutions of the United States of America and the Commonwealth of Pennsylvania provide that all individuals are entitled to equality and equal protection under law; and

WHEREAS, the Montgomery Township Board of Supervisors finds that the population of the Township is reflective of the general population of the United States, in that it consists of a diverse array of individuals representing different characteristics based upon actual or perceived race, color, age, religious creed, ancestry, sex, national origin, handicap or use of guide or support animals because of blindness, deafness or physical handicap of the user or because the user is a handler or trainer of support or guide animals, or because of an individual's sexual orientation, gender identity or gender expression; and

WHEREAS, the Township prides itself on the diversity of its citizens, and the harmonious relations which have been fostered in the Township by a widely practiced and recognized attitude of respect among all citizens of Montgomery Township; and

WHEREAS, the Board of Supervisors finds that the direct and secondary negative effects of discrimination and discriminatory practices involving the personal characteristics described above in matters of employment, housing, commercial property and public accommodation, are well documented nationally; and

WHEREAS, the practice or policy of engaging in discrimination or discriminatory practices against any individual or group, because of actual or perceived race, color, age, religious creed, ancestry, sex, national origin, handicap or use of guide or support animals because of blindness, deafness or physical handicap of the user or because the user is a handler or trainer of support or guide animals, or because of an individual's sexual orientation, gender identity or gender expression is a matter of highest public concern, and constitutes a paramount threat to the rights, privileges, peace and good order of the citizens of Montgomery Township, and to guests and visitors of the Township, that undermines the basic tenets of our freedom as citizens of the United States, and is utterly unwelcome in this Township, which has a storied tradition of fiercely defending the individual rights of its citizens; and

WHEREAS, the Board of Supervisors desires to establish and adopt an official policy of non-discrimination in Montgomery Township, in all matters involving employment, housing and commercial property, and public accommodation.

NOW THEREFORE, IT IS HEREBY ORDAINED AND ENACTED by the Board of Supervisors of Montgomery Township as follows:

The Township Manager shall conspicuously mark the face of the complaint with the date the document was first received in the Township offices.
- (3) The Commission may promulgate forms for use by persons wishing to file a complaint, however, complaints which are prepared without the use of an approved form shall be deemed acceptable under this Chapter so long as the facts set forth under §47-7.A can be clearly determined from the document submitted as a complaint.
- (4) The Commission may provide for a process by which persons seeking to file a complaint may consult with a volunteer or other staff person affiliated with the

Commission, who is trained to assist the prospective complainant in discerning the facts relevant to the prospective complaint. Such process shall also include referral of additional information to the prospective complainant concerning the content of this Chapter, the content of the Pennsylvania Human Relations Act, and the availability of the Pennsylvania Human Relations Commission as an additional venue within which the prospective complainant may seek redress when possible.

C. Notifications and Answer. Within thirty (30) days of receipt of a complaint, the Commission shall:

- (1) Send a copy of the complaint to the person(s) charged with a discriminatory act or practice under this Chapter (the “respondent”), together with a copy of this Chapter.
- (2) Send a notice to the complainant, informing him or her that the complaint has been accepted and processed by the Commission. If the complaint alleges discrimination on a basis proscribed under federal or state law, the Notice shall also inform the complainant of his or her right to file a complaint with the Pennsylvania Human Relations Commission or the federal Equal Employment Opportunity Commission, as well as the U.S. Department of Housing and Urban Development, where applicable.
- (3) The Commission shall notify the Pennsylvania Human Relations Commission of the filing of any complaint that may be deemed to be within the jurisdiction of that Commission, as required under the Pennsylvania Human Relations Act.
- (4) The Commission shall also include a notice to both the complainant and the respondent(s) of their option to elect to proceed to voluntary mediation in order to resolve the matters giving rise to the complaint.
- (5) The respondent(s) shall file a written verified answer to the complaint within thirty (30) days of service of the complaint. An answer shall be filed in the same manner as a complaint.

D. Procedure following Notification and Answer. Within thirty (30) days of receipt of an answer to a complaint, or, where no answer is filed, within sixty (60) days of service of the complaint upon the respondent(s), the Commission shall proceed in accordance with the following options:

(1) Mediation

- (a) In the event that both parties have consented to mediation, the Commission shall refer the matter to a recognized alternative dispute resolution service, which same service may be provided through Montgomery County, the Montgomery County Bar Association, or any other professional mediation

service provider, or may refer the matter to a licensed member of the Pennsylvania bar, who may be willing to perform service to the Commission as a volunteer mediator. Any costs or expenses which may be associated with the mediation shall be the responsibility of the parties. The parties shall jointly select the mediator; however, the Commission shall retain the authority to act as the mediator in the event the parties have agreed to mediation but cannot jointly agree on a mediator. Mediation sessions conducted by the Commission may proceed with a minimum of two eligible Commission Members. Mediation sessions shall remain private and not otherwise subject to public attendance.

(b) When mediation has resulted in an amicable resolution of the complaint and the complaint is resolved, the Commission shall notify the parties that the complaint has been dismissed and shall record the result of the mediation in the Notice of dismissal.

(2) In the event the complaint has not been resolved through mediation, the parties are entitled to proceed to the Court of Common Pleas in Montgomery County and/or the Pennsylvania Human Relations Commission if appropriate.

§47-8 Non-Limitation of Remedies.

Nothing contained in this Chapter shall be deemed to limit the right of an aggrieved person to recover under any other applicable law or legal theory.

§47-9 Multiple Filings.

This Chapter shall not apply to matters which are the subject of pending or prior filings made by an aggrieved person before any state or federal court or agency of competent jurisdiction.

§47-10 Penalties.

- A. Any person who shall violate any provision of §47-4 of this Chapter may be subject by the Montgomery County Court of Common Pleas or any court of competent jurisdiction to the penalties enumerated in Section 9(f)(1&2), Sections 9.2, 9.3, and Sections 10 & 11 of the Pennsylvania Human Relations Act. The penalties contained in this Chapter shall mirror any future changes to the Pennsylvania Human Relations Act as adopted by the General Assembly and approved by the Governor.
- B. This Chapter extends the protections of the Pennsylvania Human Relations Act to include actual or perceived sexual orientation, gender identity or gender expression.
- C. All penalties included in the Pennsylvania Human Relations Act shall be extended to include all protected classes enumerated in the Montgomery Township Human Relations Ordinance.

§47-11 Severability.

The terms, conditions and provisions of this Chapter are hereby declared to be severable, and, should any portion, part or provision of this Chapter be found by a court of competent jurisdiction to be invalid, unenforceable or unconstitutional, the Montgomery Township Board of Supervisors hereby declares its intent that the Chapter shall have been enacted without regard to the invalid, unenforceable, or unconstitutional portion, part or provision of this Chapter.

§47-12 Repealer.

Any and all other Ordinances or parts of Ordinances in conflict with the terms, conditions and provisions of this Ordinance are hereby repealed to the extent of such irreconcilable conflict.

Re: 425 Stump Road

Dear Bruce:

As you know, this office represents 425 Stump Road Associates, LLC, the owner of 425 Stump Road. My client is requesting a waiver of land development for the installation of a ramp at the rear of its building for its tenant. This ramp is located on existing impervious coverage, however, it seems that the Township considers ramps to be structures and therefore require land development approval.

Attached you will find a plan set consisting of 3 pages prepared by Woodrow & Associates, Inc. dated August 18, 2020, with a last revised date of February 10, 2021. The plan set consists of an overall site plan which depicts the grading as well as a parking area striping plan which reflects the parking as it's been revised on the property.

The tenant is expecting an \$8 million piece of equipment which necessitates the ramp installation such that having the Board consider this request at its meeting on February 22, 2021 would be most appreciated. Clearly, we would agree to any revisions and/or requests by the Township Engineer relative to the plan and the ramp installation.

Thank you for your consideration.

Very truly yours,

HAMBURG, RUBIN, MULLIN,
MAXWELL & LUPIN

MOTION/RESOLUTION:

MOTION _____ SECOND _____ ROLL CALL: _____

Montgomery Township Zoning Hearing Board

Meeting Date: March 3, 2021

The agenda for the scheduled hearing is as follows:

1. Application #21020001 - Renoy and Ancy Varghese / 108 Major Drive – The applicants, own and occupy a single family home located at 108 Major Drive. The 25,000 square foot property sits within the R-1 Cluster zoning district. It is a corner property with the home facing Major Drive and the side yard along Buckingham Lane. Approximately half of the rear yard consists of wetlands. The applicants are constructing an in-ground swimming pool on the property with a 6 foot solid fence enclosing the side and rear yards. The applicants request a variance from the provisions of Section 230-148B(2)(c) of the Code of Montgomery Township in order to install a 6 foot solid fence 12 feet from the edge of Buckingham Lane rather than the 27 feet required.

2. Application #21020002 - 202 Marketplace / 411 Doylestown Road – The applicant is the owner of the 7.8-acre parcel located at 411 Doylestown Road within the S – Shopping Center zoning district. The property is currently improved with a 67,196 square foot one-story building with associated parking and drive aisles. The applicant requests a variance from the provisions of Section 230-156.1C(5) of the Code of Montgomery Township to allow a proposed outdoor playground area for a future Day-Care Center in the side yard of the property rather than the rear yard as required.

3. Application #21020003 – Adams Montgomery Association & BAG Associates / 801 & 805 Horsham Roads – Adams Montgomery Association is the owner of the 1.102-acre property located at 801 Horsham Road bounded by Horsham Road and Doylestown Road. BAG Associates is the owner of the 30,400 square foot property located at 805 Horsham Road bounded by Horsham Road. Both properties sit within the C-Commercial zoning district. The properties are adjacent and contain retail uses totaling approximately 15,400 square foot of building area. The properties share parking. The properties initially had 96 total parking spaces. Over the years, road-widening and other road improvements have resulted in portions of the properties being taken and the parking reduced to 69 parking spaces. PennDot is proposing additional improvements that will further reduce the parking to 66 parking spaces. The co-applicants seek relief from the following provisions of the Code of Montgomery Township in order to allow 66 parking spaces at 9x18 in size where a minimum of 100 parking spaces at 10x20 in size is required:

- 1). 230-135 – A Special Exception to permit shared parking together with a 25% reduction, which would required a total of 75 parking spaces.
- 2). 230-134 – A Variance to allow 66 parking spaces.
- 3). 230-138 – A Variance to allow 9x18 foot parking spaces

Or, in the alternative to the Special Exception under 230-135:

- 4). 230-134 – A Variance to reduce the required number of parking spaces to 66 where 100 spaces is required.

4. Application #21020004 – Toll Brothers, Inc. / 101, 103, 105, & 107 Wynstone Ct – Toll Brothers, Inc. is the owner and developer of the properties located off of Bethlehem Pike within the Walnut Creek Development. Phase II of the project consists of 148 townhomes constructed or under construction. The applicant requests a variance from the provisions of Section 230-5B of the Code of Montgomery Township in order to construct decks within the 50 foot wide buffer area in the rear of the homes.

**Copies of the Application(s) and accompanying documents are on file in the Township's Planning and Zoning Department and may be seen upon request.

BOARD ACTION SUMMARY

Item # 14

SUBJECT: Consider Agreement with Constellation Energy to Supply Electrical Energy
MEETING DATE: February 22, 2021
BOARD LIAISON: Tanya C. Bamford, Chair
INITIATED BY: Carolyn McCreary, Township Manager

BACKGROUND:

The Township has previously utilized the Pennsylvania Municipal League's "Municipal Utility Alliance Program" (MUA) to procure energy rates. The MUA Program procures electricity rates through a publicly advertised, competitive bid process in which the Township may participate.

In December 2017, the Board of Supervisors authorized Township staff to execute a contract with Constellation Energy for electric energy for a three-year contract for both Township buildings and Township Street Lights. The current contract expired in December.

Staff has contacted Constellation to procure new rates. We also requested they provide rates that utilize 100% Green electric generation. Based on initial pricing, as compared to the rates in 2017, the Township would realize an overall reduction in cost with a 100% Green electric purchase.

BUDGET IMPACT:

Based on the most recent quote from Constellation, the Township would save approximately \$1,052.00 per year across all accounts serviced by Constellation. In 2017 the Township realized an annual savings of \$26,000 across all accounts. The new rates reduce energy costs on top of the 2017 savings.

RECOMMENDATION:

Staff recommends that the Board enter into a five-year agreement with Constellation to provide electric generation for the Township's electric accounts for the Township Building, Public Works Garage, Fire Stations, and street lights; all of which are already under contract with Constellation.

It should be noted electric rates are quoted daily and are based on the volatility of the market. If this motion is approved, staff will immediately reach out to Constellation to lock in a five-year rate.

MOTION/RESOLUTION:

Motion to approve the execution of a contract with Constellation Energy for electrical energy supply for a five-year period for the Township buildings and Township streetlights and authorize the Township Manager to execute the agreement on behalf of the Township.

SUBJECT: Montgomery County Consortium Fuel Bid
MEETING DATE: February 22, 2021
BOARD LIAISON: Tanya C. Bamford, Chair
INITIATED BY: Carolyn McCreary, Township Manager

BACKGROUND:

The Montgomery County Consortium (MCC) released a bid for fuel purchase in May of 2020 for September 1, 2020 to August 31, 2021. 15 municipalities participated in this bid. The bid document included provisions for other member municipalities to purchase fuel during the term of the contract at the same bid price.

The bid was awarded to Riggins, Inc. at the following prices:

- Regular Unleaded (87) Octane - \$0.1280 above the OPIS (Oil Price Information Services) Price
- B2 w/ 2% Bio-diesel - \$0.1880 above OPIS Price

PREVIOUS BOARD ACTION:

The Township currently purchases fuel from Petroleum Traders Corp. The original contract expired on June 30, 2020, which had the following terms:

- Regular Unleaded (87) Octane - \$0.2051 above the OPIS (Oil Price Information Services) Price
- B2 w/ 2% Bio-diesel - \$0.2011 above OPIS Price

BUDGET IMPACT:

The MCC has lower pricing for fuel purchases, in which the Township will realize savings.

RECOMMENDATION:

Township staff is recommending the authorization to join the current MCC Consortium fuel bid and to participate in future fuel bids with the Consortium. Moving forward, by joining the MCC fuel bid the Township will receive favorable pricing based on bulk purchasing.

MOTION/RESOLUTION:

Motion to authorize Montgomery Township to participate in the Montgomery County Consortium fuel bid and authorize the Township Manager to execute all documents on behalf of the Township.

SUBJECT: Consider Issuance of Request for Proposal (RFP) for Investment Consultant
MEETING DATE: February 22, 2021
BOARD LIAISON: Tanya C. Bamford, Chairperson
INITIATED BY: Carolyn McCreary, Township Manager

BACKGROUND:

In 2006 the Township chose Citigroup Global Markets to manage the investment of and maintain custody of all cash, securities and other investments of the Police Pension Fund. Citigroup merged with Morgan Stanley Wealth Management.

Unlike the nonuniform pension plan, the Police Pension plan is a defined benefit plan and the Township is required to meet the pension obligations regardless of state aid received, plan performance, etc.

PREVIOUS BOARD ACTION: None

BUDGET IMPACT: None

RECOMMENDATION:

As almost 15 years has passed, staff is recommending the Board grant us authorization to prepare an RFP for investment consultant services for this plan.

MOTION/RESOLUTION:

Motion to authorize the Township Manager to prepare and distribute a Request for Proposal for investment consultant services for the Police Pension Fund.

BOARD ACTION SUMMARY

Item # 17

SUBJECT: Consider Adoption of Resolution to Extend Participation in the Wissahickon Clean Water Partnership Intergovernmental Agreement

MEETING DATE: February 22, 2021

BOARD LIAISON: Tanya C. Bamford, Chair

INITIATED BY: Carolyn McCreary, Township Manager

BACKGROUND:

The municipalities located in the Wissahickon Creek Watershed are obligated under the PA DEP's MS4 and NPDES programs to meet the municipality's MS4, NPDES and TMDL obligations. In 2016, US EPA was poised to issue a new TMDL for the Wissahickon Creek Watershed, which would have included a new Total Phosphorus TMDL, which is believed to include requirements that are unachievable.

As a result, in 2016, the Wissahickon Clean Water Partnership was established to develop an Alternative to the proposed EPA Total Phosphorus TMDL. The Township is one of the founding members of the Wissahickon Clean Water Partnership. The group is comprised of municipalities, the City of Philadelphia, and other stakeholders including Pennsylvania Environmental Council, and the Wissahickon Valley Watershed Association.

PREVIOUS BOARD ACTION:

On January 27, 2020, the Board of Supervisors adopted a resolution which would extend the Township's participation in this group through March 31, 2021.

BUDGET IMPACT:

The Township continues to annually allocate its share of the costs for technical and legal services in its budget.

RECOMMENDATION:

Staff recommends continuing our participation in the Wissahickon Clean Water Partnership (alternative TMDL).

MOTION/RESOLUTION:

Motion to adopt Resolution No. 2021-18, extending the Township's participation in the Wissahickon Clean Water Partnership by renewing the intergovernmental agreement.

Motion by: _____

Seconded by: _____

A RESOLUTION TO AUTHORIZE AN EXTENSION OF THE 2018/2019 INTERGOVERNMENTAL AGREEMENT WITH OTHER MONTGOMERY AND PHILADELPHIA COUNTY MUNICIPALITIES AND WASTEWATER TREATMENT PLANT OPERATORS TO COMPLETE A WATER QUALITY IMPROVEMENT PLAN AS AN ALTERNATIVE TO THE EPA PHOSPHORUS TOTAL MAXIMUM DAILY LOAD FOR THE WISSAHICKON CREEK WATERSHED.

WHEREAS, Counties, Municipalities and Wastewater Treatment Plant Operators, when not inconsistent with state or federal law, are authorized to oversee and regulate trade, commerce, and the use of public streets, ways and property within their jurisdictions; and

WHEREAS, the Intergovernmental Cooperation Act (Act of July 12, 1972, P.L. 762, as amended, 53 P.S. §481, et seq.), permits Municipalities, Counties and Wastewater Treatment Plant Operators to enter into agreements to cooperate in the performance of their respective functions, powers or responsibilities; and

WHEREAS, Counties and Municipalities, as well as the provisions of Pennsylvania's Intergovernmental Cooperation Law, provide for intergovernmental cooperation between and among municipalities in the exercise or performance of their respective governmental functions, powers and responsibilities and authorize joint agreements as may be deemed appropriate for such purposes; and

WHEREAS, The Wissahickon Creek has been designated as impaired under Section 303(d) of the Clean Water Act, and has been assigned a Total Maximum Daily Load (TMDL) per

(40 CFR 130.2 and 130.70) and individual wasteload allocations (WLAs) for point sources and load allocations (LAs) for nonpoint sources have been assigned; and

WHEREAS, The municipalities located in the Wissahickon Creek watershed are obligated under the PADEP's MS4/NPDES program to develop and implement a stormwater management plan, including a TMDL plan, which contains a strategy to meet the municipality's MS4 and TMDL obligations, and it is recognized that the municipal plans will have greater effectiveness if they are coordinated with and incorporated into the TMDL Alternative plan; and

WHEREAS, The EPA's New Long-Term Vision for the 303(d) Program allows for alternative approaches to the TMDL that incorporates adaptive management and are tailored to specific circumstances. Counties, Municipalities and Wastewater Treatment Operators have determined that developing a TMDL Alternative Plan in order to satisfy the intent of the EPA-established and proposed TMDL pollutant reductions is a justified and necessary action; and

WHEREAS, the Participating Municipalities in Montgomery and Philadelphia County and Wastewater Treatment Operators recognize that watersheds cross municipal boundaries and coordinated planning effort is to the benefit of all participating Municipalities and Counties and that it is in the best interest of their residents to cooperate in the development of a TMDL Alternative, through participation in this collaborative effort.

WHEREAS, the Municipalities and Wastewater Treatment Plant Operators recognize that the coordination of services would enable each Municipality to minimize the costs of the administration and implementation of a TMDL Alternative Plan; and

NOW THEREFORE, BE IT RESOLVED as follows:

Montgomery Township desires to continue participating in the collaborative partnership with other Wissahickon Creek permittees to advance the development of a TMDL Alternative. Montgomery Township hereby authorizes its appropriate officers to enter into a new Intergovernmental Agreement (see attached), which will begin on this date and expire either ninety (90) days after final approval of a TMDL Alternative or on December 31, 2022, if no such approval has been received by that date.

I HEREBY CERTIFY that this Resolution was adopted by the Board of Supervisors of Montgomery Township at its public meeting held on February 22, 2021.

Community and Recreation Center Report

January 2021

o Welcome to 2021 and farewell to a bizarre and unique 2020. The onset of a New Year at the Community Recreation Center (CRC) comes with great anticipation for a fresh beginning involving new and returning activities/events to our facility. As the COVID-19 vaccination process continues to rollout, we are beginning to increased interest in utilization of the CRC by our faithful patrons and new prospective participants.

****** The CRC reopened after a 3 week closure due to precautions related to the COVID-19 pandemic on Monday, January 4th, 2021.*

A recap of our January 2021 programming and facility activity follows:

- o Our monthly CPR/AED instructional classes were conducted as scheduled on Thursday January 21st.
- o Our Chess Club debuted with 17 participants in 2 sessions on Monday afternoons.
- o Socially distanced Skills and Drills Flag Football Clinics were conducted each Saturday morning in January.
- o Let's Play Guitar! (Group lessons) has evolved into both beginner and intermediate instructional sessions for the winter season.

- o Monthly Canvas Painting Events for kids continue to attract 10 to 12 young artists regularly.
- o Instructional basketball on Wednesday afternoons/early evening for 3 to 10 year olds has made for a nice mix of instruction, exercise and comradery for 44 players.
- o Doubles Pickle ball has returned on two indoor courts weekdays and Sunday mornings. Play is scheduled by reservation only in 90 minute blocks with 15 minute

intervals between sessions to allow for safe movement of players in and out of the gymnasium.

- Individual and household Pickle Ball lessons were conducted on a limited basis during January.

- The Ikebana Sogetsu (Floral Art) group conducted their January instructional classes virtually utilizing our Community room. It airs on YouTube.

Physical Facility Improvement Notes:

- Badminton and pickle ball game lines are slowly reappearing on the gymnasium floor. Limited badminton play appears to be a definite possibility as we move into the month of February.

- New solar batteries were installed in 12 of parking lot lights. The phased replacement of is normal for solar light batteries entering their sixth year of service.

- Quarterly preventive maintenance on Fitness Equipment was conducted on January 21st.

- Daytime Janitorial cleaning/sanitizing of the CRC facility has become standard operating measures in the continued battle against COVID-19.

The entire CRC staff is cautiously anticipating a 2021 that slowly returns to normalcy with regards to recreation programming, facility usage for public events, and fitness activities. We are looking forward to resuming our safe, healthy, and positive services to citizens of Montgomery Township.

Montgomery Township Inter-Office Memo

To: Carolyn McCreary, Township Manager
From: Brian Shapiro, Director of Finance
Date: 02/22/21
Subject: February Finance Committee Report

Attached is a revenue and expenditure report as of 01/31/2021 for the Montgomery Township 2021 budget. The column labeled "2020 Actual" is provided pre-audit without accrual journal entries. The final numbers for 2020 will change based on those entries.

2020/2021 – Earned Income Tax

The township received the following summary from Berkheimer regarding 2020/2021 Earned Income Taxes:

"After our analysis of 3rd Quarter collections, EIT revenues in most areas are trending in the right direction. For Montgomery Township while the 2020 2nd Quarter Payments showed a change of -6.29% compared to 2nd Quarter 2019, the 3rd Quarter 2020 realized a change of 0.03%. This is a swing of 6.32%. Overall, total collections in 2020 (\$5,808,090.98) changed by -1.30% compared to 2019 (\$5,884,570.07).

Projecting the impacts of the pandemic on collections continues to be a moving target with many variables/factors including the recent 2nd round of PPP funding, as well as other Federal and State stimuli. We are cautiously optimistic that the trend seen in the 3rd quarter collections will continue and 4th Quarter revenues will realize similar gains over last year. However, 4th Quarter collections tend to be significantly higher than other quarters due to year-end bonuses, etc. and it is reasonable to expect reductions in bonus amounts this year due to the COVID economic impacts."

2021 Department Enhanced Reporting Goals

- Popular Annual Financial Reporting Award Program (PAFR). The Government Finance Officers Association (GFOA) established the Popular Annual Financial Reporting Awards Program (PAFR Program) in 1991 to encourage and assist state and local governments to extract information from their comprehensive annual financial report to produce high quality popular annual financial reports specifically designed to be readily accessible and easily understandable to the general public and other interested parties without a background in public finance and then to recognize individual governments that are successful in achieving that goal. An example can be found here: [Whitpain Township](#)

- Distinguished Budget Presentation Award Program. GFOA established the Distinguished Budget Presentation Awards Program (Budget Awards Program) in 1984 to encourage and assist state and local governments to prepare budget documents of the very highest quality that reflect both the guidelines established by the National Advisory Council on State and Local Budgeting and the GFOA's best practices on budgeting and then to recognize individual governments that succeed in achieving that goal. Over 1600 governments, including states, cities, counties, special districts, school districts, and more have been recognized for transparency in budgeting. To earn recognition, budget documents must meet program criteria and excel as a policy document, financial plan, operations guide, and communication tool. An example can be found here: [Middletown Township](#)
