

## SEPTA Forward: Bus Revolution! Presentation & Listening Session

Join us on October 20, 12-1pm via Zoom to hear from SEPTA about the Bus Revolution!

Share your ideas and needs for SEPTA's bus network.  
*What works well and what needs improvement in Bucks and Montgomery Counties?*

Register Now

The Bus Revolution will be a 3-year process, with two years of planning, analysis, and community engagement, and the third year focused on implementation.

The SEPTA Forward: Bus Revolution will create a more efficient, effective and accessible bus network. By creating routes that are more direct, reliable and easier to use, more riders will be able to take advantage of this important service within our community.
