FOR IMMEDIATE RELEASE: Montgomery Township Receives DCNR Grant for Whistlestop Park Improvements

Montgomery Township – The Pennsylvania Department of Conservation and Natural Resources (DCNR) has awarded Montgomery Township a grant in the amount of \$250,000 for improvements to Whistlestop Park, located at 90 County Line Rd, Chalfont, PA 18914.

Work to be done includes renovation of pedestrian walkways and softball field; construction of internal loop trail, pickleball courts, and stormwater management measures; installation of play equipment with required safety surfacing; ADA access, landscaping, project sign, and other related site improvements.

DCNR's Bureau of Recreation and Conservation builds connections between citizens and the outdoors by providing funding and technical assistance support for local recreation and park improvement projects through its Community Conservation Partnerships Program grants. Grants awarded totaled nearly \$90 million, the highest amount in the program's almost 30-year history.

Updates about the Whistlestop Park improvements will be shared on Montgomery Township's social media channels and website at MontgomeryTwp.org as they become available.

Please visit www.montgomerytwp.org, sign-up for E-News, like Montgomery Township on Facebook, and follow on Instagram & Twitter @MontTwp for more Township news and information.
