New Business:

19. Department Reports: Monthly reports were submitted by each department for activity in the month of January. Chief Wiegman provided an update on the activities of the Fire Department. Chief Wiegman spoke about the Youth Fire Prevention Program, the Juvenile Firestarter Program, the Drone program, upcoming training, participation in the Quick Response Service with the VMSC, emergency management planning, and the upcoming Police and Fire tabletop exercise in the Fall. Chief Bendig provided an update on the activities of the Police Department, specifically focusing on the current hiring process. The department is not seeing many candidates applying for the position and, out of 46 candidates invited to interview, 11 were no-shows. The department did 35 interviews and selected 4 candidates for background checks, polygraph testing, and investigation. Interviews with the Public Safety Committee, a conditional offer, medical testing, and psychological testing would follow once the top candidates are chosen. Chief Bendig stated that the department prides itself on having high standards and will only hire qualified candidates.

The process may need to be revisited should any top candidates commit to other departments in the consortium who are also seeking qualified candidates.

A discussion was held regarding Temporary Outdoor Pop-Up Sales in the Township. Ms. McCreary reported that there had been some recent activity regarding pop-up sales in the Township and that the language in the ordinance governing these types of sales is somewhat ambiguous and may need to be tightened up. Ms. McConnell explained that the language indicates a two-week lead time to apply for a temporary sales license. If the pop-up sale occurs on the weekend, there is no one to enforce it, and the vendor moves on. Any notice of violation would allow them 30 days to comply, making enforcement difficult. Discussion followed. Under public comment, Andrew Hatstat of 128 Veronica Lane stated that he thought pop-up tents and sales were a great idea and more should be encouraged. He stated that businesses like Dick's Sporting Goods are big corporations and would not be affected by these small pop-up businesses. The Board's consensus was to have staff tighten the language in the ordinance.

20. Committee Reports: Ms. Ware reported that the Senior Committee will host several Medicare events. They are also working on mailing out an informational letter to seniors in the community. Ms. Staab reported that the EAC is reviewing the results of their Single Use Plastic Survey. The Ready for 100 Committee has been working on action plans, and she heard that other townships are looking to Montgomery Township for direction. Ms. Bamford said that the Park Board had a great discussion with ideas on new initiatives, such as trail markers, how to redevelop the Windlestrae House for recreational use, and homework for the members to see what other communities are doing in Park and Recreation. Ms. Long stated that the CRC Advisory Committee discussed the new equipment purchase and the Public Safety Committee discussed the current police hiring process. Ms. Chimera reported that the Planning Commission had a presentation from Penn Medicine. It was a great presentation, and the Planning Commission unanimously recommended the project to the Board.

21. Adjournment: Upon motion by Ms. Chimera and seconded by Ms. Long, the meeting was adjourned at 8:12 p.m.

Respectfully submitted,

Deborah A. Rivas, Recording Secretary

MONTGOMERY TOWNSHIP BOARD OF SUPERVISORS

BOARD ACTION SUMMARY

Item #08

SUBJECT: Consider Authorization to Purchase Replacement
Sidearms, Shotguns, and Accessories
MEETING DATE: March 13, 2023
BOARD LIAISON: Annette M. Long, Public Safety Committee Liaison
INITIATED BY: J. Scott Bendig, Chief of Police

BACKGROUND:

The Police Department proposes replacing the current Glock sidearms carried by officers on duty and shotguns secured in the police vehicles.

The Glock sidearms were last replaced in 2014. Since that time, these sidearms have been exposed to extreme conditions. They are beginning to show the general wear and tear that comes with nine years of sidearm qualifications, training, and practice, with thousands of rounds being put through each sidearm. The Department is proposing replacing these sidearms with a nearly similar sidearm, holsters, and sighting system that will significantly improve accuracy in the event the sidearm is discharged.

The shotguns currently available for use were purchased as early as 1980, and vary in manufacturer and model. If approved, this purchase would complete the standardization of all firearms available for use by members of the Department.

Attached are the following quotes/bids for the purchase of the aforementioned equipment:

- December 28, 2022, a quote from Aliengear Holsters to provide replacement sidearm duty holsters at a 15% discount for a total cost of \$5,272.11.
- January 31, 2023, a quote from Witmer Public Safety Group, the lowest of three responsible bidders, to provide the replacement shotguns for a cost of \$11,447.60.
- March 3, 2023, a bid from Witmer Public Safety Group, the lowest responsible bidder on PennBid Online Bid Management, to provide the replacement sidearms and sighting system for a total cost of \$29,687.68.

PREVIOUS BOARD ACTION:

None

BUDGET IMPACT:

A total of \$60,000.00 was included in the 2023 Capital Investment Plan-Police Department Capital Replacement for purchasing these items.

RECOMMENDATION:

It is recommended that the Board of Supervisors authorize the purchase of the aforementioned equipment at a total cost of \$46,407.39.

MOTION/RESOLUTION:

Motion to award the contract for the purchase of replacement sidearms, shotguns, and accessories, from Witmer Public Safety Group and Aliengear Holsters at a total cost of \$46,407.39 per their quotes.

- 1) Motion by: _____ Second by: _____
- 2) Chairwoman will ask for public comment.
- 3) Chairwoman will call for a vote.

SUBJECT: Sponsorship of Autism Event at the Montgomery Mall
MEETING DATE: March 13, 2023
BOARD LIAISON:
INITIATED BY: Beth A. Staab, Supervisor

BACKGROUND:

April 2 is World Autism Day. As you know, our resident Ben Hartranft has been advocating for awareness and acceptance for years and we've finally found the venue and time to pull this off at the Montgomery Mall.

We'd like to include Montgomery Township as a participant & sponsor. I believe that Ben has already contacted Officer Johnson to participate. I will also be there to support the event. We don't need any funding, just permission to list Montgomery Twp as a participant & sponsor and have Police (& possibly K9?) present to let the kids know that police are there to help (a huge issue for kids and adults with different abilities).

DRAFT PRESS RELEASE — March 4, 2023

Montgomeryville, PA — The Montgomery Mall will host an Autism Awareness and Acceptance Event on Sunday, April 2nd, from 12:00 – 3:00 p.m. The event coordinator is Ben Hartranft and will support the Eagles Autism Foundation.

The event take place on World Autism Day at the lower level Macy's Court and will feature support services to increase understanding and acceptance of autism and will provide fun activities for all abilities. A magic show, arts and crafts and balloon twisting will be take place, along with a music therapy mini-session.

A variety of raffle baskets will be displayed, with tickets sold for \$1.00 each. The goods and services in the baskets have been donated by local businesses and supporters listed below. All proceeds will benefit the Eagles Autism Foundation who have donated Eagles bracelets and game day pins to give away to participants.
