New Business:

Meeting with Speaker for Long-Term Care Insurance Presentation- Frank W. Crandell, Jr.

The Committee Members met with Frank Crandell regarding a new seminar about long-term care insurance. Mr. Crandell presented some background on himself and his experience in long-term care insurance and financial advising. He also presented a packet for each of the members that he will provide at the seminar and he may have an additional speaker, Tim Kelly, who also has an extensive experience in long-term care insurance.

The Committee agreed to have Mr. Crandell speak at an upcoming seminar in September- staff will check on the room availability and see if whether September 21 or September 28 will work.

Upcoming Meetings

The Committee had a discussion as a follow-up to the brainstorming session at the May meeting. Staff explained that there is a chance that CCCS and Tracey Ford from the organization said that there may be a cost associated with the seminar. Staff will follow up with Tracey and see if there is a cost before the next meeting. The Committee members agreed that if there is a cost then they would like to not pursue it because they do not want to set a precedent for future seminars when we have willing speakers who are not charging to speak on topics.

If CCCS does not come to the July meeting- the Committee agreed to discuss some budget discussion topics to get ready for the budget presentation in October in front of the Board.

Old Business:

Summer Concert- Senior Social Gathering

The Committee discussed the possible idea of having a case of water at the concerts. Ralph said that he would look into getting Costco to donate some cases of water to the event. Also, the Committee would like to have a card table available so they can have hand outs for upcoming events at the event. Staff is going to look into that and try to have one there for next week's concert.

Weekly Walking Club

The Committee discussed the walking club and that they will use the paved path around Spring Valley Park to walk. Staff stated that the Township has received many calls about both the Summer Concerts and the Weekly Walking Club.

Other Business: None.

Adjournment: There being no further business to come before the Senior Volunteer Committee, the meeting adjourned at 8:05 pm. The group will meet next on July 14, 2010 at the Montgomery Township Building at 7:00pm.
