Chief Wheeler also announced some new initiatives, including cutting-edge equipment, advanced treatment protocols, and the ability to have blood on board a special vehicle. The VMSC is also helping Chester County get its EMS up and running in light of the recent hospital closures. Chief Wheeler thanked the Board of Supervisors for their generous support.

Administration and Finance:

11. Authorize Advertisement of Police Pension Plan Ordinance Amendment: Ms. McCreary reported that while reviewing the Police Collective Bargaining Agreement (CBA) with the plan actuary, it was discovered that a change to the Police Pension Plan had not been incorporated into the plan document. To do so, the Board of Supervisors must make the change with an ordinance amendment. This will ensure that the plan document mirrors the CBA. The changes eliminate the service increment for officers hired after January 1, 2021, and add an early retirement benefit for those officers with twenty or more years of service who terminate their employment before their normal retirement date. Normal retirement under Act 600 is age 50 with 25 years of service.

MOTION: Upon motion by Ms. Ware-Jones, seconded by Ms. Long and unanimously carried (5-0), the Board authorized the advertisement of the proposed ordinance amendment to eliminate the service increment for new hires after 01/01/21 and add an early retirement benefit.

12. Amendment to ARPA Funds Allocation: Ms. McCreary reported that in 2021 and 2022, the Township received \$2,742,894.57 in ARPA (American Rescue Plan Act) monies. In 2022, the Treasury released a Final Rule regarding how municipalities that received \$10 million or less in ARPA funding can utilize the replacement of lost public sector revenue provisions. The Final Rule allows recipients to select between a standard amount of revenue loss or complete a full revenue loss calculation. Recipients who select the standard allowance may use that amount for government services. In the 2021 and 2022 reporting filing, the Township preserved its right to choose these provisions and specifically cited stormwater projects. In light of the above, the Township does not have to specifically identify projects and can choose to utilize these funds as permitted in the Final Rule. Ms. McCreary recommends that the Board remove the stormwater reference and allow the Township to utilize the lost public sector revenue provision.

MOTION: Upon motion by Ms. Ware-Jones, seconded by Ms. Bamford and unanimously carried (5-0), the Board adopted the lost public sector revenue provision for the use of the American Rescue Plan Act funds as permitted by the U.S. Treasury Department.

Information Technology:

13. Authorization to Purchase MONTCRC Access Control/CCTV: Mr. Grier reported that \$100,000 was included in the 2025 budget for Recreation Center security upgrades. A quote from CM3 Building Solutions (Costars #040-E25-284), dated April 23, 2025, totals \$108,000 and covers comprehensive access control and video surveillance improvements. The upgrades include migrating the existing security systems to the Avigilon Cloud platform, replacing outdated access control hardware with multi-technology readers, and installing new 4K and multi-sensor Avigilon cameras throughout the facility. The project will also include programming, training, and a system-wide cutover.

MOTION: Upon motion by Ms. Ware-Jones, seconded by Ms. Chimera, and unanimously carried (5-0), the Board awarded the contract for the Recreation Center Security Upgrade to CM3 Building Solutions under the Co-Stars Cooperative Purchase Program at a total cost of \$108,000, per their proposal.

New Business:

14. Department Reports: Monthly reports were submitted by each department for activity in the month of March. Chief Wiegman provided an update on fire services. As mentioned, the fire company continues struggling to recruit and maintain volunteers. Chief Wiegman has been working to craft a plan to create a 24/7 career staff, supplemented by volunteers. The plan would include 24-hour shifts, with four platoons of 6 firefighters. This would require the hiring of 19 new firefighters. This summer, the Township has hired an intern to assist fire and human resources in laying out a plan for hiring paid firefighters. Battalion One will require renovations to modify the bunk rooms and office spaces. Currently, the station is not in compliance with NFPA, due to the proximity of bunks and office space to the engine bay, although they have taken steps to mitigate carcinogens in the air. Chief Wiegman is preparing a feasibility study for the fire station. Mr. Bamford stated that she understands the need to add additional firefighters, but 19 full-time employees is a big jump, as well as renovating facilities. Ms. Bamford inquired about costs, and Chief Wiegman stated that they are currently being reviewed and should be available in June.

15. Manager's Report: Ms. McCreary reported that the second annual Staff Professional Development Day was held on Thursday, April 24, 2025. The theme was Talkin' Bout My Generation: *How We Get Along and Get the Work Done*. There were excellent guest speakers, and a panel of employees representing all five generations in our workforce who answered questions about their personal experiences based on generational moments.

The Community and Recreation Center gym floor is now completed, and the gym has reopened.

The Penn Medicine work site continues, as drilling for the geothermal well system has begun, and crews will be on-site daily to meet permit requirements and complete inspections. The installation of the water loop around the property is now underway. North Wales Water Authority and a third-party firm, Pennoni, are both on-site each day to ensure the work is done properly and safely. Pennoni is also performing compaction testing during backfilling. Additionally, in response to residents' concerns about speeding on Dekalb Pike, the Highway Safety Unit will have a directed speed enforcement detail in this area. Officer Jenkins has requested PennDOT to conduct a speed study since this is a state road.

In response to the discussion concerning the traffic calming measures on Grays Lane, and after discussions with staff, it was recommended to keep the installation of the chicanes in place for a minimum of six months, allowing the public time to adjust to it and for our Highway Safety Unit and Traffic Engineers to monitor the speed in the area to determine the effectiveness of this traffic calming measure. Engage an independent traffic engineer to analyze the entirety of Grays Lane to determine if any additional measures are warranted, and the Highway Safety Unit will conduct directed speed enforcement in this area.

The Board commented that they generally preferred to give it time to see if it is working, because they have concerns about public safety. A study of the road showed that within two weeks of being installed, the speed had gone down. The Board also preferred to have an independent traffic engineer analyze the entirety of Grays Lane to see if any additional or alternative measures were warranted. Ms. Chimera reported that she made phone calls, and five residents said that there has been no improvement, with cars flying down the center of the road. Ms. Chimera proposed that the Board instruct staff to take it out.

Under public comment, the following residents spoke: Dave Sherman of 103 Forest Trail, Catherine Staudt of 107 Cove Circle, and Heather Sand of 115 Cove Circle. Residents' concerns included communication and involving the community, drivers going straight and speeding, property values, safety of bike riders and dog walkers, the fire truck going straight through, and generally, it is not working; cars are still speeding.

After considerable discussion, a suggestion was made to keep it in place until another solution was found. Still, in the end, the Board agreed to remove the chicanes and delineators as soon as possible, have the independent traffic study, and have the Police Department enforce the speed limit with traffic citations.

16. Committee Board Liaison Reports: Ms. Long reported that the gym floor replacement at the Community and Recreation Center is completed, and the craft fair was well received. There was no Public Safety Committee meeting last month. Ms. Chimera reported that there was no Planning Commission meeting and Shade Tree Commission discussed the Arbor Day event. Ms. Bamford reported that the Park Board continued the discussion on the farmhouse renovation. The historical society provided a history of the property and ownership of the parcel. The Sewer Authority will be holding a ribbon cutting ceremony when the Rose Twig park bathroom is

complete. The Sewer Authority Board also toured the water treatment plant. Ms. Staab announced that the Environmental Advisory Committee screened a production of Kiss the Ground, a movie about regenerative farming on April 22, Earth Day. The electronic recycling event went very well on Saturday, April 19, 2025. This year over 25,000 pounds of electronics were recycled. The Business Development Partnership will be creating Welcome Baskets for new businesses in the Township and will host a networking event on September 24, 2025 at Mark's Jewelers. Ms. Ware-Jones reported that the Senior Committee wrapped up its planning for the 2025 free seminars and began discussions for 2026. The Senior Committee also discussed The Wall That Heals event.

17. Adjournment: Upon motion by Ms. Ware-Jones and seconded by Ms. Staab, the meeting was adjourned at 8:57 p.m.

Respectfully submitted,

Deborah A. Rivas, Recording Secretary

Montgomery Township, PA

ASIAN/PACIFIC AMERICAN HERITAGE MONTH

A RESOLUTION OF THE BOARD OF SUPERVISORS OF MONTGOMERY TOWNSHIP, MONTGOMERY COUNTY, PENNSYLVANIA TO RECOGNIZE ASIAN/PACIFIC AMERICAN HERITAGE MONTH

WHEREAS, May is nationally recognized as Asian American and Pacific Islander (AAPI) Heritage Month—a time to honor and celebrate the histories, cultures, and contributions of individuals of Asian and Pacific Islander descent in the United States; and

WHEREAS, the term “Asian/Pacific” encompasses the entire Asian continent and the Pacific Islands, including the regions of Melanesia, Micronesia, and Polynesia; and

WHEREAS, the observance originated in 1978 when President Jimmy Carter signed a joint resolution establishing Asian/Pacific American Heritage Week, and was later expanded by Congress in 1992 to a month-long commemoration every May; and

WHEREAS, the month of May was chosen to mark two significant milestones in AAPI history: the arrival of the first Japanese immigrants to the United States on May 7, 1843, and the completion of the transcontinental railroad on May 10, 1869, which was largely built by Chinese immigrant laborers; and

WHEREAS, Asian Americans and Pacific Islanders have made indelible contributions to every aspect of American life—including the arts, sciences, education, public service, business, and the military—while overcoming a long history of exclusion, discrimination, and injustice; and

WHEREAS, Montgomery Township honors the resilience, achievements, and vibrant cultural heritage of its AAPI residents, and affirms its commitment to diversity, equity, and inclusion.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Montgomery Township does hereby proclaim the month of May 2025 as Asian American and Pacific Islander Heritage Month in Montgomery Township, and encourages residents to recognize and celebrate the rich cultural traditions and contributions of the AAPI community to the Township and our nation.

SUBJECT:	Request Authorization to Purchase Replacement Radio/Phone Recorder
MEETING DATE:	May 12, 2025
BOARD LIAISON:	Audrey R. Ware-Jones, Chairwoman
INITIATED BY:	William R. Peoples, Chief of Police

BACKGROUND:

The Montgomery Township Police Department refurbished the police department's Communications Center in 2012. As part of this project, the police department replaced the previous radio/phone recorder used for investigations and immediate playback capability for dispatchers. Currently, the existing radio/phone recorder is at the end of its life and is no longer supported by software. Further, the current radio/phone recorder is incompatible with our new digital township radio system. The new radio/phone recorder will not only be able to record our current dispatcher phone lines and township radio system, but it will also be able to record the county radio system.

Item #08

SUBJECT: Request Authorization to Purchase Portable Weighing Scales
MEETING DATE: May 12, 2025
BOARD LIAISON: Audrey R. Ware-Jones, Chairwoman
INITIATED BY: William R. Peoples, Chief of Police

BACKGROUND:

The Montgomery Township Police Department's Highway Safety Unit participates in the Federal Motor Carrier Safety Assistance Program (MCSAP), which is instrumental in the inspection of large vehicles throughout the township and surrounding jurisdictions. As part of this inspection, the weight of a vehicle is one of the safety features of the inspection. Currently, MTPD Officers must rely on outside jurisdictions for assistance or drive to a weigh station, causing the possible overweight violation vehicle to be driven on roadways with the motoring public. With the purchase of Portable Weighing Scales, MTPD Officers will have the capability to weigh overweight vehicles more accurately at the location of the traffic stop.

Attached is a quote dated May 6, 2025, from Load O Meter Corporation, which is the sole source provider in accordance with United States Patent #4673049. The total cost for the project is \$32,370. The equipment meets the specifications prepared by the Police Department.

BUDGET IMPACT:

It is recommended that the Board of Supervisors approve the purchase of the Portable Weighing Scales from Load O Meter Corporation, as per the provided quote dated May 6, 2025.

Dear Officer Jenkins,

Loadometer Corporation herein affirms that it is now and has been Haenni & Cie. AG's sole source in the United States since 1979 for the sale, parts and service of their Wheel Load Weighing devices. It is expected that this relationship will continue for an indefinite time period. If this relationship should dissolve or change, you will be notified in writing immediately.

BOARD ACTION SUMMARY

Item #09

SUBJECT:	Consider Adoption of Ordinance #25-349 – Amendment to Police Pension Plan
MEETING DATE:	May 12, 2025
BOARD LIAISON:	Audrey R. Ware-Jones, Chairwoman
INITIATED BY:	Carolyn McCreary, Township Manager

BACKGROUND:

While reviewing the Police Collective Bargaining Agreement (CBA) with the plan actuary, we discovered that a change to the Police Pension Plan had not been incorporated into the plan document. In order to do so, the Board of Supervisors must make the change with an ordinance amendment. This will ensure that the plan document mirrors the CBA.

The changes eliminate the service increment for officers hired after January 1, 2021, and add an early retirement benefit for those officers with twenty or more years of service who terminate their employment prior to their normal retirement date. Normal retirement under Act 600 is age 50 with 25 years of service.

This proposed ordinance amendment was properly advertised on May 3, 2025, in The Reporter.

RECOMMENDATION:

Staff recommends that the Board of Supervisors adopt the ordinance amendment.

MOTION/RESOLUTION:

Motion to adopt Ordinance No. 25-349, eliminating the service increment for new hires after 01/01/21 and adding an early retirement benefit.

- 1) Motion by: _____ Second by: _____
- 2) The Chairwoman will call for public comment.

WHEREAS, Montgomery Township previously established the Montgomery Township Police Pension Plan; and

WHEREAS, Montgomery Township desires to enact an amendment to the Plan to incorporate changes made to the pension benefits for police officers in the latest collective bargaining agreement;

NOW THEREFORE, BE IT ORDAINED AND ENACTED by the Board of Supervisors of Montgomery Township that the attached amendment of the Montgomery Township Police Pension Plan is enacted.

The Township Manager, as the agent of the Employer, is authorized and directed to execute the attached amendment of the Plan.
