Insurance Requirements for

Residential Leaf and Yard Waste Collection and Disposal

1 - General Insurance Requirements

1.1 - The Contractor shall not commence operations until the Contractor has obtained at the Contractor's own expense all of the insurance as required hereunder and such insurance has been approved by the Township; nor shall the Contractor allow any Subcontractor to commence operations on any subcontract until all insurance required of the Subcontractor has been so obtained and approved by the Contractor. Approval of insurance required of the Contractor will be granted only after submission to the Township of original certificates of insurance signed by authorized representatives of the insurers or, at the Township's request, certified copies of the required insurance policies.

1.2 - Insurance as required hereunder shall be in force throughout the term of the Contract. Original certificates signed by authorized representatives of the insurers or, at the Township's request, certified copies of insurance policies, evidencing that the required insurance is in effect, shall be maintained with the Township throughout the term of the Contract.

1.3 - The Contractor shall require all Subcontractors to maintain during the term of the Contract commercial general liability insurance, business auto liability insurance, and workers compensation and employers liability insurance, and umbrella excess or excess liability insurance to the same extent required of the Contractor in 2.1.1, 2.1.2, 2.1.3 and 2.1.4. unless any such requirement is expressly waived or amended by the Township in writing. The Contractor shall furnish Subcontractors' certificates of insurance to the Township immediately upon request.

1.4 - All insurance policies required hereunder shall be endorsed to provide that the policy is not subject to cancellation, non-renewal or material reduction in coverage until sixty (60) days prior written notice has been given to the Township.

Therefore, the phrases "endeavor to" and "... but failure to mail such notice shall impose no obligation or liability of any kind upon the company, its agents or representatives" are to be eliminated from the cancellation provision of standard ACORD certificates of insurance.

1.5 - No acceptance and/or approval of any insurance by the Township shall be construed as relieving or excusing the Contractor or the Contractor's Surety from any liability or obligation imposed upon either or both of them by the provisions of this Contract.

1.6 - If the Contractor does not meet the insurance requirements of this Contract, the Contractor shall forward a written request to the Township for a waiver in writing of the insurance requirement(s) not met or approval in writing of alternate insurance coverage, self- insurance, or group self-insurance arrangements. If the Township denies the request, the Contractor must comply with the insurance requirements as specified in this Contract.

1.7 - All required insurance coverages must be underwritten by insurers allowed to do business in the Commonwealth of Pennsylvania and acceptable to the Township. The insurers must also have a policyholders' rating of "A-" or better, and a financial size of "Class VII" or better in the latest evaluation by A. M. Best Company, unless Township grants specific approval for an exception. The Township hereby grants specific approval for the acquisition of workers compensation and employers liability insurance from the State Workmen's Insurance Fund.

1.8 - Any deductibles or retentions of \$5,000 or greater shall be disclosed by the Contractor, and are subject to Township's written approval. Any deductible or retention amounts elected by the Contractor or imposed by the Contractor's insurer(s) shall be the sole responsibility of the Contractor.

2 - Contractor's Liability Insurance – Occurrence Basis

2.1 - The Contractor shall purchase the following insurance coverages on an occurrence basis (claims made coverage not acceptable) for not less than the limits specified below or required by law, whichever is greater:

2.1.1 -Commercial general liability insurance or its equivalent for bodily injury, personal injury and property damage including loss of use, with minimum limits of:

and including all of the following coverages on the applicable schedule of underlying insurance:

2.1.5 - The Township, and its elected and appointed officials, employees, agents and authorized volunteers shall be named as additional insured on Contractor's commercial general liability insurance with respect to liability arising out of the Contractor's operations and the certificate(s) of insurance, or the certified policy(ies) if requested, must so state this.

2.1.6 - Insurance provided to the Township, and its elected and appointed officials, employees, agents and authorized volunteers under any Contractor's liability insurance required herein, including, but not limited to, umbrella and excess liability or excess liability policies, shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of insurance or self-insurance. (Any cross suits or cross liability exclusion shall be deleted from Contractor's liability insurance policies required herein.)

2.1.7 - Insurance provided to the Township, and its elected and appointed officials, employees, agents and authorized volunteers as specified herein shall be primary, and any other insurance, self-insurance, coverage or indemnity available to the Township, and its officials, employees, agents and authorized volunteers shall be excess of and non-contributory with insurance provided to the Township, and elected and appointed officials, employees, agents and authorized volunteers as specified herein.
