NOTED INCIDENTS:

On May 1, 2026, officers responded to Tires Etc. (616 Upper State Road) for a report of theft/vehicle damage. Upon arrival, officers were informed that a male was sleeping in a customer's vehicle. Through further investigation, officers learned four separate vehicles were tampered with and damaged, and that items were stolen from a vehicle. Based on the information, officers swabbed numerous items inside the vehicle for DNA in an effort to match it to the male identified. At this time, there is an estimated total of $4,250 worth of damage. The investigation is still ongoing as the officer is waiting for DNA and consulting with the District Attorney's office.

On May 12, 2026, officers conducted a traffic stop on a blue Subaru in the area of 675 Bethlehem Pike for a motor vehicle violation. Officers approached the vehicle and made contact with a female driver and a male passenger. The officer noted the passenger exhibited suspicious behavior during this time. The officer returned to his vehicle and conducted a routine records check. The search revealed the male passenger had two active arrest warrants. The officer subsequently detained the male and requested consent to search the vehicle from the female, which was granted. The officer then located drug paraphernalia inside the vehicle. The female was questioned about this and handed the officer crack cocaine. The female operator was taken into custody for drug-related offenses, and the male was taken into custody for active warrants and drug paraphernalia. Later at the Montgomery Township Police Department, officers located heroin concealed on the male. Both parties were subsequently charged with violations of the Drug Act.

On May 14, 2026, officers responded to Wegmans (804 Bethlehem Pike) for a retail theft in progress. Officers made contact with the female actor, and she was taken into custody for the theft. It was also learned that the female had previously committed four additional thefts. The total amount taken was $546.83.

On May 14, 2026, officers investigated a report of a hit-and-run vehicle collision. Through witness interviews, review of Automated Red Light Enforcement camera footage, and in-depth damage analysis, officers were able to determine that unit 1 in this collision intentionally drove a vehicle into the side of unit 2. This was determined to be a deliberate act, and the operator was charged with various summary violations, including Reckless Driving and leaving the scene of a collision.

On May 16, 2026, officers were on routine patrol at the Montgomery Mall when they noticed a female lying under a tree. The female was wearing a wool jacket on an 80-degree day, which caused officers to check on her well-being. During their interaction, officers observed commercially packaged marijuana lying in plain view. The female appeared to be in good health; however, a routine records check revealed she had a felony grand larceny warrant out for her arrest from the NYPD. She was taken into custody and transported to the Montgomery County Correctional Facility.

On May 17, 2026, officers responded to a residence on Cowpath Road for a report of an underage drinking party. Upon arrival, officers observed numerous individuals outside and inside the residence. Officers made contact with the homeowner, who was under the age of 21, and he advised that he was having a party. The homeowner provided officers consent to enter the residence, and numerous individuals ran out the rear door. While inside the residence, officers observed numerous cups/cans of alcohol. While officers were on location, they observed two females who began to fight. Officers made contact with all individuals, including the females, who were separated. As officers spoke with the individuals inside, they detected the odor of alcohol emanating from their persons. They were subsequently given preliminary breath tests, which confirmed the consumption of alcohol. The individuals who consumed alcohol were cited along with the two females who engaged in a fight.

On May 18, 2026, officers conducted a traffic stop on a silver Jeep for a motor vehicle violation. Officers approached the vehicle and made contact with the operator. The operator could not provide his vehicle registration, insurance, or a title to the car. Through the officer's investigation, he discovered that the VIN (vehicle identification number) on the windshield was counterfeit. He was able to identify the vehicle's true VIN, which was located under the passenger's seat. The vehicle was listed in NCIC as stolen out of Warrington Township in 2022. The operator was arrested for possessing a stolen vehicle.

On May 19, 2026, officers responded to a residence on Clear Creek Court for a domestic involving an adult male and his mother. Upon arrival, officers spoke with the male, who was agitated and aggressive. He was biting himself and had previously struck his mother with a laptop. Officers evaluated the situation and determined the male was experiencing a mental health crisis and was a danger to himself and others. Officers made several attempts to calm him down and de-escalate the situation. An ambulance was called to transport the patient to the hospital; when he was

informed that he needed to go to the hospital, he became more agitated and began throwing things, slapping officers, and biting officers. The male was transported to the hospital, where an involuntary mental health commitment was completed.

On May 20, 2026, officers responded to Best Buy (801 Bethlehem Pike) for a retail theft in progress. Upon arrival, officers observed one of the suspects fleeing and gave him commands to stop. The male fled on foot, and the officers chased him for approximately 500 yards before the suspect was taken into custody. The second suspect was unaccounted for after the initial contact/ foot pursuit, but was later located by a Detective hiding in a dumpster behind the shopping center. Both suspects were taken into custody and charged with Retail Theft.

On May 22, 2026, officers on routine patrol observed a white Nissan parked in the right turn lane of Bethlehem Pike at the entrance to TD Bank with no exterior lights activated. The officer approached the vehicle and made contact with the male driver, who was visibly disoriented. While the officer spoke with the male, he noted he had glassy eyes, slurred speech, and the odor of alcohol emanating from his breath. Officers conducted Standardized Field Sobriety Tests, which showed signs of impairment. The male was subsequently taken into custody for Driving Under the Influence.

On May 24, 2026, officers were in the area of 411 Doylestown Road when they observed a driver attempting to exit the parking lot and drive over a concrete parking block. The vehicle became temporarily stuck, then continued over the block, down through a small ravine, and out onto Doylestown Road. Immediately after this, a 911 call was dispatched for a hit-and-run in progress at this location. Officers conducted a traffic stop with that vehicle, which was stopped at the Five Points Intersection. While officers were on the traffic stop, other officers spoke with the caller and learned that the driver and passenger had switched seats after initially becoming stuck on the concrete block; the male driver switched into the passenger seat, and the female passenger switched into the driver's seat. She then continued driving through the ravine onto Doylestown Road. Based on this information, and both occupants having been seen driving the same car, officers conducted two DUI investigations, which resulted in the arrest of both occupants of the vehicle. Both drivers' preliminary breath tests revealed BAC's close to three times the legal limit.

On May 24, 2026, officers on routine patrol located a female lying in the grass between the curb and the sidewalk on Davis Drive at Lower State Road. Officers were able to rouse the female subject, who was found to be heavily intoxicated and passed out in the wet grass. An ambulance was summoned and eventually transported the female to Doylestown Hospital for treatment for an alcohol overdose. Charges are pending for Public Drunkenness.

On May 30, 2026, Officers responded to Briarwood Lane in the Fox Meadow housing development for damage to a vehicle. It was determined that the rear passenger side window was

broken and the vehicle was entered. While on scene, a neighbor alerted officers to security camera footage showing two males dressed in black who rode past on electric scooters and stopped at the damaged vehicle. Officers then located another vehicle nearby on Caldwell Court that also had a window broken out. Additional security camera footage led officers to check a footpath between the Fox Meadow neighborhood and Cricklewood Circle, where they located credit cards and personal documents belonging to a resident of Cricklewood Circle. Ultimately, it was learned that a third vehicle had been damaged and entered on Cricklewood Circle, where a wallet had been stolen that contained $700 cash and the above-described items. Through the investigation, officers noted that one of the two electric scooters used by the suspects matched one that was stolen the previous evening from Autumn Woods Park. Officers responded to Lea Drive for a suspected drug deal between two subjects on electric scooters and the occupant(s) of a white Honda sedan. Officers located the two males involved nearby on Springdale Lane. One of the subjects was in possession of the stolen scooter, and both were in possession of THC vape devices, which they admittedly had just purchased from the occupant(s) of the white Honda that had since left the area. Additionally, one of them was in possession of $590 cash that was stolen from one of the vehicles. Both subjects were taken into custody and later interviewed. They were found to be juveniles and admitted to entering vehicles with the intention of stealing a vehicle or possibly locating a firearm inside one of them. Charges are pending.

Follow-up Case:

On April 4, 2026, an elderly township resident reported that her credit card had been used for services she did not subscribe to. The case was turned over to the detective division for further investigation. Detectives completed multiple search warrants and developed a suspect from Mountain Top, PA. The victim is a traveling nurse, and it was determined that she worked in a doctor's office near Mountain Top, where the suspect also worked. Detectives learned the suspect has been using the victim's cards without her permission since 2023, and the total value of the theft is approximately $147,000.00. The suspect turned herself in on May 27, 2026, and is scheduled for a preliminary hearing in June.

COMMENDATIONS:

On June 5, 2026, Chief William Tierney, Hatfield Township Police Department, sent a letter commending Officer Jenkins, Officer Eufrasio & Officer Giordano for how they handled an argumentative subject after a motor vehicle accident. Chief Tierney stated the officers were polite, respectful, and professional throughout the encounter.

EDUCATION & TRAINING:

On June 3 & 4, 2026, Sergeant Rushin & Detective Seydel attended SWAT training in Montgomery County.

On June 10, 2026, Sergeant Woch, Officer Haber & Officer Eufrasio participated in a Canine Training Day in Montgomery Township.

NOTED INCIDENTS:

On June 5, 2026, officers received a complaint of a Protection from Abuse violation. The complainant advised that she has a Protection from Abuse Order against her former spouse, which precludes him from having any contact with her in person or by communication. The complainant received two emails from the defendant confronting her about filing their joint income tax return and threatening legal action. Based on the PFA that was in place, officers obtained an arrest warrant for the defendant, who was staying at a local hotel. The defendant is known to police and has previously been uncooperative with officers when he was arrested. Officers responded to the hotel and coordinated with staff to safely remove him from the room. The suspect was taken into custody without incident. Charges are pending for Contempt of Court Order.

On June 6, 2026, officers responded to 640 Bethlehem Pike, Montgomeryville Skilled Nursing, for a late report of an assault. Officers met with a Social Worker at the facility who reported that a resident/patient was allegedly assaulted by a Certified Nursing Assistant (CNA). The patient reported that he had gotten up to use the bathroom and ended up falling on the floor. When the CNA came into his room, she asked him what he was doing on the floor and kicked him in his arm three times. The victim showed officers his arm, which had welts and abrasions that were consistent with what he had reported. He added that after he was assisted back into his bed, the same CNA pushed him by the head to move him over on the bed, which almost made him fall off the bed. The social worker confirmed that the observed injuries were not present the night before. Officers contacted the suspect, who had been suspended pending an internal investigation. She was invited to the station for an interview, which she initially accepted but later declined and

advised that she had retained an attorney. Based on the victim's statement and observed injuries, charges were filed for Simple Assault, Abuse of a Care Dependent Person, and Harassment.

On June 8, 2026, officers conducted a traffic stop on a Hyundai in the area of Bethlehem Pike and Airport Square Shopping Center for a motor vehicle violation. During the stop, signs of criminal activity led officers to request a consent search of the vehicle, which was granted. A search of the vehicle yielded seven vials of cocaine, leading to an arrest for violations of the Drug Act.

On June 12, 2026, officers conducted a traffic stop on a gray Hyundai in the area of Stump Road and Bethlehem Pike for a motor vehicle violation. The operator quickly parked his vehicle and began walking toward a hotel in the area. Officers approached the male and noted a strong odor of an alcoholic beverage emanating from his person. He also had bloodshot and glassy eyes. Officers attempted to conduct Standardized Field Sobriety Tests, but the operator refused to complete them. Based on the totality of the circumstances, the officer believed the operator was under the influence of alcohol and/or drugs to a degree which rendered him incapable of safely operating a vehicle. He was taken into custody and consented to a blood draw. Charges are pending the results.

On June 12, 2026, officers conducted a traffic stop on a gray Dodge in the area of Bethlehem Pike and Richardson Road for a motor vehicle violation. The officer made contact with the male operator and observed metal knuckles in the center console area, which were seized. The officer also noted the odor of marijuana emanating from the vehicle. Officers requested consent to search the vehicle. The operator denied consent, and the vehicle was subsequently impounded for a search warrant. The driver was then taken into custody for possessing a prohibited offensive weapon. The officer later completed a search warrant for the vehicle, which was approved by a judge. The vehicle was searched, and marijuana along with marijuana paraphernalia was located. The male was also charged with violations of the Drug Act.

On June 13, 2026, officers conducted a traffic stop on a silver Toyota in the area of Bethlehem Pike and Line Street for a motor vehicle violation. The officer made contact with a male driver and female passenger. The officer could smell the odor of marijuana emanating from the vehicle and inquired about it. The female passenger subsequently handed the officer marijuana. Officers asked for consent to search the vehicle, which was granted. A search of the vehicle was conducted, and Ketamine was located in the female's bag. The female was subsequently taken into custody for violations of the Drug Act.

On June 13, 2026, officers responded to 415 Stump Road, Luxor Luxury Apartments, for a suicidal subject. It was related that the female threatened to harm herself by intentionally overdosing. Officers were advised the female subject began to flee the area on foot towards the wooded area behind the apartment. Montgomery Township Police subsequently utilized their canine unit and drone operator in efforts to locate the female. The female was located approximately two hours

later and was taken into protective custody. She was then transported to Lansdale Hospital, and an involuntary commitment was completed.

On June 13, 2026, officers were on routine patrol at 969 Bethlehem Pike, Knights Inn. During the patrol, officers observed an individual acting suspiciously. A routine records check of the subject was conducted, which yielded results that the subject was wanted by Philadelphia Police for trespassing. The subject was then taken into custody and turned over to the Philadelphia Police Department.

On June 16, 2026, officers conducted a traffic stop on a green Chevrolet hauling a trailer in the area of Bethlehem Pike at Gwynedd Crossing Shopping Center for a motor vehicle violation. Officers made contact with the operator, who was unable to provide any paperwork for the trailer. Through the investigation, the officer determined that the trailer was stolen out of Philadelphia in 2024. The operator said that he purchased the trailer for $2,500 on Facebook Marketplace and had messages validating his purchase. Since the operator was unaware that he was in possession of a stolen trailer, the officer elected to mail him citations for the registration. He was not charged with receiving stolen property.

On June 18, 2026, officers conducted a traffic stop on a green Honda in the area of Bethlehem Pike and J.L. Freed Honda for a motor vehicle violation. During the stop, the officer learned the passenger was wanted for Robbery-Inflict bodily damage out of the Delaware County Sheriff's Office. Subsequently, the subject was taken into custody and turned over to the Delaware County Sheriff's Office.

On June 22, 2026, officers conducted a traffic stop on a white Ford in the area of Bethlehem Pike and Airport Square Shopping Center for a motor vehicle violation. During the stop, the officer learned the driver was wanted for theft from Upper Southampton Township. Subsequently, the subject was taken into custody and turned over to the Southampton Police Department.

On June 23, 2026, officers responded to the 200 block of North Wales Road for a male exposing himself. Upon arrival, officers observed the caller pointing to the male, who was currently clothed and walked south on North Wales Road. Officers made contact with the male, who was extremely intoxicated. He admitted to urinating on a tree. He was taken into custody for Public Drunkenness. Through further investigation, the complainants advised they witnessed the male with his pants around his ankles, exposing his genitals. The male was also charged with Indecent Exposure and Open Lewdness.

On June 24 & 25, 2026, officers responded to a residence on Beaumont Terrace for an emotionally disturbed person. During both incidents, the patient, an autistic male, was aggressive and combative with first responders. The patient was restrained and transported to the hospital for

evaluations on both occasions. Montgomery County Mobile Crisis is aware of the incidents and is providing support to the patient and his family.

On June 29, 2026, officers responded to a retail theft at Macy's, 804 Bethlehem Pike. The reporting party advised that a male suspect entered the store, selected merchandise, removed security sensors that were affixed to the garments, and left the store. The total value of the theft was $440. A vehicle description was provided, and officers learned it was a dealership loaner vehicle. The dealership was able to provide information on the person who should be in possession of the car, in addition to the current GPS location for the vehicle. Officers began surveillance of the vehicle and observed the suspect exit from Ross Dress for Less and return to his car. Officers apprehended him without incident. The suspect was found to be in possession of stolen merchandise that he had just taken from Ross Dress for Less, in addition to a large magnet that is used to remove security sensors from merchandise. Officers looked inside the car and could see numerous shopping bags full of merchandise. The suspect later consented to a search of the car, which revealed $1,744 worth of merchandise that had been stolen from eight different retailers within Montgomery Township. All merchandise was returned to the individual stores, and charges are pending for Felony Retail Theft, Receiving Stolen Property, and Possession of Instruments of Crime.

Follow-Up Case:

On December 11, 2025, Firestone Tires, 804 Bethlehem Pike, contacted Montgomery Township Police Department about a male who has been using stolen credit cards to purchase tires. The suspect reportedly made four purchases totaling over $4,000.00 since November 23, 2025. Officers stopped the suspect, who was identified, and seized his phone and U-Haul van. Inside the van were 16 tires and a cell phone. Detectives investigated this case and executed multiple search warrants. The suspect was formally arrested on June 24, 2026, and charged with theft. He is currently incarcerated and awaiting his preliminary hearing.
